Soccer Referee Clive Thomas,Tom Hudson,1978 Fussball Schiedsrichter **Football Referee Logbook** Teguh Wahyudi,2021-06-24 A logbook to record a football match result intended for referees Football or soccer referees need to record each decisions they made during a football match That s when this book might come in handy A book for referees to write in after every single game Referees can fill details about Their name Other match officials name Kickoff time The score Player caution and dismissal Substitution And here are the specifications of this book 120 pages 6 x 9 inches White paper Matte cover **Squeezing Out the Dirt From the Beautiful Game** SUNNY ERONMOSE ISUEKEBHOR,2014-06-16 Every year many wrong decisions are made by Referees during football matches as a result teams are knocked out of Champions Leagues by fake goals penalties are awarded to players who dive in the penalty area offside goals are allowed and legitimate goals are ruled out as offside goals Many nations miss out on World Cup qualifications because of red cards that were issued to their players for fouls the players had not committed and in leagues all around the world teams are relegated because of

refereeing errors while teams that may have been relegated remain in higher divisions Sadly there have been death threats made on Referees after video replays showed that they made mistakes which cost teams and nations valuable points qualifications and trophies And these death threats are not only irresponsible but criminal But If Referees are humans and not angels as FIFA wants us to believe do they need help and can video technology be the answer Should video replays be approved to help Referees avoid these monumental errors or should the game continue as it is without video technology or video replays This book is one of the most unique books you ever read rather than using words or phrases as titles of chapters as it is in almost every book you and I have read the titles of chapters of this book are actually sentences yes each chapter title is a sentence they are sentences made by fictional commentators in four of the more popular football or soccer leagues in the world Each title sentence covers a specific Referee decision in football Chapter one is titled with a sentence that covers the award of a penalty to a player who dives in the penalty box Chapter two has a sentence title that exemplifies a commentator s reaction when a fine goal is disallowed and chapter three s sentence title deals with the issue of an unwarranted second yellow card to a player whilst the title of chapter four is a sentence that shows a commentator s lamentation when a player is unjustly sent off and finally chapter five carries in its title a sentence of a commentator describing the worst decision he has ever seen in three decades of football commentary while calling for football authorities to consider the introduction of video replays to aid Referees Official Rules of Soccer U S Soccer,2002
