

- Nine years war, 1753-1767. War fought largely in Canada(? Double check)
- War of spanish succession, 1702-1713
- War of austrian succession 1740-1748
- French and indian war (1754-1763) fought largely in north american territory, resulted in the end of france's reign as a colonial power in north america
- Strong leadership of william pitt led british to victory
- costs of the war led to discontent in the colonies and helped spark the american revolution

Navigation acts 1651 were an attempt by britain to dominate international trade

- Aimed largely at the dutch (netherlands)
- Banned foreign ships from transporting goods to british colonies and from transporting goods to britain from elsewhere in europe
- Britain needed more revenue after the french and indian war to pay off war debt, defend expanding empire, and govern 33 far away colonies - so britain passed additional laws to generate revenue

Triangular trade

- Began in colonies with ships setting off for Africa carrying rum
- In africa, rum was traded for gold or slaves
- Ships went from africa to west indies, trading slaves for sugar/molasses/other
- Ships returned to colonies with sugar/molasses to make more rum
- Violated molasses act of 1733, colonists and britain didn't care

Salutary neglect- relax enforcement of strict regulations, particularly trade laws, imposed on american colonies

-development of local gov in america gave colonists a different view of the structure and role of gov

More colonists born in american soil meant less of a connection to britain

Colonists could govern on domestic issues, but Britain controlled international issues

Colonists began to practice representative gov- representatives chosen by male property owners

Acts of British parliament

- Sugar act, 1764 - required taxes to be collected on molasses brought into the colonies, gave british officials the right to search homes of anyone suspicious
- Stamp act, 1764 - taxed printed materials such as newspapers and legal docs. Protests led for this to be repealed in 1766

A Sociotheological Approach to Catholic Social Teaching

Vivencio O. Ballano, 2022-10-31 This book introduces Catholic social teaching CST and its teaching on the common good to the reader and applies them in the realm of public health to critically analyze the major global issues of COVID 19 that undermine public interest It uses the sociotheological approach that combines the moral principles of CST and the holistic analysis of modern sociology and also utilizes the secondary literature as the main source of textual data Specifically it investigates the corporate moral irresponsibility and some unethical business practices of Big Pharma in the sale and distribution of its anti COVID vaccines and medicines the injustice in the inequitable global vaccine distribution the weakening of the United States Congress's legislative regulation against the pharmaceutical industry's overpricing and profiteering the inadequacy of the World Health Organization's WHO law enforcement system against corruption and the lack of social monitoring in the current public health surveillance system to safeguard the public good from corporate fraud

and white collar crime This book highlights the contribution of sociology in providing the empirical foundation of CST's moral analysis and in crafting appropriate Catholic social action during the pandemic It is hoped that through this book secular scholars social scientists religious leaders moral theologians religious educators and Catholic lay leaders would be more appreciative of the sociotheological approach to understanding religion and COVID 19 This book brings into dialogue two bodies of literature documents of Catholic social teaching and modern sociology and its core thinkers and texts The author does especially well to describe how taking the sociotheological turn will benefit the credibility and dissemination of Catholic social thought Rev Fr Thomas Massaro S J Professor of Moral Theology Jesuit School of Theology Santa Clara University Berkeley California *Evidence-Based Policy Making in the Social Sciences* Stoker, Gerry, Evans, Mark, 2016-09-29 This book gathers an expert group of social scientists to showcase emerging forms of analysis and evaluation for public policy analysis Each chapter highlights a different method or approach putting it in context and highlighting its key features before illustrating its application and potential value to policy makers Aimed at upper level undergraduates in public policy and social work it also has much to offer policy makers and practitioners themselves *The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University* Hoover Institution on War, Revolution, and Peace, 1969
