The Church In Gods Program:

The Church in God's Program Robert L. Saucy, 1974-08-21 The Church in God's Program is a biblical study covering the entire scope of the church its beginning government ministries and the new covenant *The Glorious Church in God's Divine Restoration Program* R. Gnanaharan, 2012-05-01 With regard to church Christians fall under different categories Some take the church seriously and many do not Many are satisfied with watching church proceedings on TV Some go to church meetings because they are expected to Many go to church as a matter of routine but do not know why they go The Glorious Church in God's Divine Restoration Program A Synthetic Survey of God's Program from Genesis to Revelation provides an overview of God's restoration program The book takes the reader through the Bible from the book of Genesis to the book of Revelation and provides a better grasp of the Bible with regard to God's program It brings out the role of church and its importance in God's program in restoring what man lost because of sin The author has been involved in church planting ministry and teaching ministry for more than three decades *CHURCH IN GOD'S PROGRAM. ROBERT L. SAUCY, 1999*

The Lamb of God & The Seven-sealed Scroll R. Gnanaharan, 2007-09 The author presents a simple user friendly book for believers to understand the future day events and to prepare for the Lords coming His fresh perspective and new insights on the topic are presented in an easy to understand style Christian *The Offer* Lance Clippinger, 2006-09 Almost 2 000 years ago Jesus offered to Israel not only spiritual salvation but political and physical salvation as well This offer was made with one crucial requirement or condition which Israel failed to meet Just before Jesus second coming Israel will fulfill this condition and The Offer will be received Why did Jesus conceal and try to hush up some of His miracles Why did Jesus command the disciples to tell no one that He was the Christ Why was Jerusalem and its temple destroyed in 70 A D and will the temple be rebuilt Will there be a forerunner like John the Baptist who prepares the way for Jesus second coming In the end times how will the nation of Israel come to believe in Jesus What will it be like for Christians to live and rule with Jesus on the earth These questions and many more are answered in The Offer Lance Clippinger demonstrates that if we understand what Jesus offered Israel many of our questions about the Bible Jesus the time we live in and the future of our world will be answered *God's Plan of the Ages* Louis T. Talbot, 1946-03 Asserting that the only way to understand the details of God's word is to have a clear understanding of it as a whole Talbot sets forth a comprehensive view of God's dealings with man from the beginning to the end of all things The Church Stephen P. Ansley, 2025-10-07 The author invites readers to revisit how they think and speak about the church His plea is ecclesiological the church's study of the church because all the subthemes are related to the Church's beliefs and practices It is maverick independent from the herd because the themes addressed are typically ignored undervalued or misunderstood It is philological the study of words in that it seeks to guide us to use scriptural and theological language in ways consistent with Scripture **Loving God through the Truth, Second Edition** Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic

discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world

Theology for the Community of God Stanley J. Grenz, 2000-01-31 This proven systematic theology represents the very best in evangelical theology Stanley Grenz presents the traditional themes of Christian doctrine God humankind Christ the Holy Spirit the church and the last things all within an emphasis on God s central program for creation namely the establishment of community Masterfully blending biblical historical and contemporary concerns Grenz s respected work provides a coherent vision of the faith that is both intellectually satisfying and expressible in Christian living Available for the first time in paperback Seven Dispensations of God Benny Tucker, 2019-06-04 A very important point to bring out now is a very simple one without this literal interpretation of the bible one will never understand the end of the age as brought forth in the book of Revelation Dispensational theology teaches that there are two distinct peoples of God Israel and the church Dispensationalists believe that salvation has always been by faith in God in the Old Testament
