The Chakras And The Human Energy Fields Quest Book

Felix A. Farret

The Chakras And The Human Energy Fields Quest Book:

The Chakras and the Human Energy Fields Shafica Karagulla, Dora van Gelder Kunz, 1989-04-01 A presentation of experimental evidence that illness can be seen in the subtle energy fields of the body Fascinating case studies of actual patients show that clairvoyant observation can diagnose disease and even reveal potential illness before it manifests in physical symptoms The key to health and disease lies in the dynamic interaction between the body's physical emotional and mental fields and universal energy fields Understanding this interaction can help us alter our energy patterns in the direction of better health Includes a full color foldout diagram of the chakra system

Effects of Electromagnetic Radiation on Living Beings Felix A. Farret, 2025-05-06 The objective of this book is to show in detail how electromagnetic waves existing in the environment can affect the electrochemical currents present in the brains and bodies of living beings that serve to communicate with their internal organs as well as with other living beings These electromagnetic waves are distributed intensively by current means of communication television cell phones radar medical equipment electrical machines electrical networks etc and by the stars in the Universe Such waves can affect in one way or another the electrochemical currents of living beings which seem to be currently interpreted as sensations hypnosis telepathy intuition spells mediumship visions and precognition as well as other less widespread forms such as telekinesis radiesthesia clairvoyance precognition and teleportation Several world famous examples of these possibilities are illustrated in the final chapter of this book Key Features 14 examples of diverse international case studies included Challenges conventional ways of thinking by exploring the intersection of electromagnetic waves and extrasensory perception Equips readers with insights into the various effects of electromagnetic waves in daily life which promotes awareness of their environment and its different influences and how they impact people Provides an engineering framework for understanding extrasensory beliefs and aims to explain the concept of historical brain believing in a better manner

Sacred Sexuality Georg Feuerstein, 2003-11-14 A historical cross cultural survey of sexuality as a sacred spiritual practice Examines sacred sexuality in the world's religious and mystery traditions Explores contemporary sexual stress syndrome resulting from the absence of the sacred in sexual practice Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act In spite of our culture's recent sexual liberalizations sexual intimacy often remains unfulfilling Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures Feuerstein delves into a wide variety of spiritual traditions including Christianity Judaism goddess worship Taoism and Hinduism in search of sacred truths regarding sexuality He reveals that all of these great teachings share the hidden message that spirituality is in essence erotic and that sexuality is inherently spiritual From the erotic cult of the Great Mother and the archaic ritual of hieros gamos sacred marriage to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive

sexual spirituality suited to our contemporary needs

Chakra Organized Acceptance and Commitment Therapy

Rosemary Hale, 2022-11-22 This book integrates the traditional chakra model which provides a map like tool for how psycho emotional content interacts with the physical body with current evidence based psychological practice As growing research highlights the impact of psychological trauma on physical health and the prevalence of medically unexplained symptoms novel treatment approaches are required to address the unique complexities of these conditions Drawing from humanistic psychology and Acceptance and Commitment Therapy ACT this book presents a holistic model for treating psychosomatic disorders Chapters focus on the basic principles of the chakra system along with treatment orientation values based action and more This book is an essential introduction to working with the chakra system in the context of behavioral health interventions and is suitable for all healthcare professionals in particular clinical psychologists therapists and counsellors

End of Oblivion: The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution Aleksandar Ostojic, 2019-08-08

End of Oblivion The Great Deceit and Why We Need to Reclaim Our Spiritual Evolution is an informal overview of the current state of humanity and the world and delves into how our perceptions of reality have been drastically distorted to the point where the majority of the population cannot perceive distortion any longer Deceit is present in every area of our lives but beneath these secular manifestations deeper metaphysical undercurrents are interlacing with our spiritual evolutionary direction Armed with a wealth of factual evidence as well as personal observations the author puts forth a compelling explanation as to who is really behind this great deceit and offers choices on how to break free for those curious enough to ponder It is time to remove our blindfolds to consciously choose our path and to reclaim the true purpose of our being our spiritual evolution The book reflects on the Law of One material

The Subtle Energy Body Maureen

Lockhart, 2010-09-23 A global study of the psychospiritual body and its central role in the esoteric and spiritual traditions of the world Explains the nature purpose and functions of the subtle body Explores the role of the subtle body in such traditions as Alchemy Ayurveda Tantra Qi Gong and Yoga Shows how the various layers of the subtle body provide a map for various levels of consciousness Ancient traditions of both the East and West have long maintained that the human being is a complex of material and nonmaterial systems or energy bodies The subtle body is an energetic psychospiritual entity of several layers of increasing subtlety and metaphysical significance through which the aspirant seeks knowledge of the self and the nature of God In many traditions the component parts of the subtle body serve as a map of the different levels of consciousness The practices and disciplines that evolved from an awareness and understanding of the subtle body and how the material and nonmaterial work together form a coherent system of psychospiritual transformation that is central to numerous and extremely diverse spiritual practices including those of the Gnostics Sufis Native Americans Vedic seers Chinese and Greeks The subtle body plays an essential part in more recent traditions such as Anthroposophy and Gurdjieff's Fourth Way and the cutting edge science of Ervin Laszlo's research into the Akashic field But the benefits of understanding the role of the subtle

energy body are not confined solely to the spiritual plane The energetic bodies provide a coherent system of life affirming principles and practices for the diagnosis and treatment of the whole person that is not only part of many traditional healing systems such as Acupuncture and Ayurveda but also is forming the basis for a synthesis of traditional and contemporary healing practices that could lay the foundation for the medicine of the future *The Fragrant Heavens* Valerie Ann Worwood,1999 A noted aromatherapist provides rich insight into the spiritual powers of fragrance Including a guide to analyzing the differences between physical emotional mental and spiritual crises this book presents a system of using essential oils homeopathically Color illustrations *The Spiritual Dimension of Therapeutic Touch* Dora Kunz,2004-04-09 Explores the extraordinary technique that put authentic healing into the hands of health care providers Examines the relationship between expanded levels of consciousness and the healing process Contains healing exercises for treating common ailments such as stomachaches and back pain and practices for managing chronic stress Based on transcribed audiotapes of lectures by medical intuitive Dora Kunz 1904 1999 with commentary by Dolores Krieger Since 1972 Therapeutic Touch has been taught in hospitals and at universities to tens of thousands of health care professionals The Spiritual Dimension of Therapeutic Touch provides an intimate glimpse into the life work of Dora Kunz 1904 1999 medical intuitive and fifth generation clairvoyant who used her gifts to reach out to others in her capacity as healer and teacher During their years of research and healing practice together Dolores Krieger and her mentor Dora Kunz found illness to be caused by specific subtle energy imbalances The Spiritual Dimension of Therapeutic Touch teaches how to rebalance the body s energy through touch visualization and a spiritual acceptance of life s inevitable cycle These exercises can be used both to heal physical pain and to achieve mental and spiritual peace The authors also examine the important interconnected relationship between healer and patient The book includes never before transcribed lectures by Dora Kunz with commentary from Dolores Krieger exploring expanded levels of consciousness as they relate to the healing process *The Quest* ,2008

Retire Your Family Karma Ashok Bedi,Boris Matthews,2003-11-01 We reap what we sow but we also reap what others before us have sown If we do this unconsciously we find ourselves victims of unfortunate circumstances but if we are conscious of what we have taken on from our family legacy we can turn it around Doctors Bedi and Matthews have worked with people who have carried the burden of their families best achievements worst failures and unrealized dreams With their experience we learn to recognize our karmic inheritance and settle our family s karmic accounts so we can redirect our energies in accord with our own true path and passion our soul s calling Bedi and Matthews explain how ancestral karma gets energetically encoded in the chakras of our subtle body and manifests as chakra blockages or overactivity They provide case histories from their patients an analysis of the Kennedy family history as well as the archetypal example of the history of the House of Atreus the Greek legacy of family betrayal stemming from Tantalus to Atreus and Thyestes to Agamemnon and finally Orestes In addition to these examples and illuminating case studies the authors teach us how to use dreamwork

journaling and diagramming our family tree as tools for identifying and overcoming inherited karma To totally comprehend our roots and to realize our destiny we must look beyond our individual life and understand our ancestral context in order to make sense of our journey Once we have identified the blessings and the curses we have inherited we have the possibility of choice The best way to break old patterns is to work on establishing new ones
