Before You Read

In the last section, you read about Cold War struggles around the world.

In this section, you will read about the major events of the Cold War from the 1950s to the 1980s.

As You Read

Use an outline to organize main ideas and details about the Cold War thaw.

SOVIET POLICY IN EASTERN EUROPE AND CHINA (Pages 554–556)
How did the Soviets keep control over Eastern Europe?

Nikita Khrushchev became the Soviet leader after Stalin died in 1953. Khrushchev began a process of “destalinization.” This meant getting rid of Stalin’s memory. Khrushchev also believed that the Soviet Union should have “peaceful competition” with the capitalist nations.

In Eastern Europe, many people still resented Soviet rule. Eastern Europeans took part in protest movements against Soviet control. In 1956, protesters and the army overthrew the Communist

government of Hungary. Khrushchev sent Soviet tanks to put the Communists back in power. In 1964, Leonid Brezhnev replaced Khrushchev. When Czechoslovakians began to reform their Communist government in 1968, Brezhnev sent in tanks to stop them.

The Soviets did not have the same control over their larger neighbor, China. Although the Soviet Union and China enjoyed friendly relations at first, they gradually grew apart. The split became so wide that the Soviet Union and China sometimes fought along their border. The two nations now have a peaceful relationship.
