

I must survive!

Seduce the vampire.

Betray him.

**ALL DEPENDS ON
YOUR DECISIONS**

Vampire Romance Saga Advanced Strategies

Kirsten Holm

Vampire Romance Saga Advanced Strategies:

Story Virality Monica Leonelle, 2021-05-25 You know how to market your book but is the book itself making it harder to gain traction This is a question that all writers and authors struggle with We aren't always great at evaluating our own work whether we are new to publishing or on our twentieth book And the answers we get from other authors is usually to Write to a more popular trend End the series faster Hire a developmental editor Try a new marketing tactic Change the cover or blurb Write the next book But here's the thing your back catalog is not dead weight You worked hard on your book or series and there's no reason you can't get it selling better Without having to write to a trend you're not passionate about Without having to add in tropes that don't make sense Without having to hire another editor editors can't fix a marketing issue within your story Without having to change your writing style Without having to do what everyone else says is the only thing that's selling right now Editing For Marketability is new and different It's an advanced approach to writing to market that breaks down why books sell based on persuasive writing techniques found across storytelling branding psychology public relations and marketing And yes it applies readily to novels I share the how in the book When you practice marketability editing you take your story through the Book Virality Stack a framework with six virality factors that helps you see where your book has marketing hooks and where it doesn't I teach you how to improve your marketability under each factor so you get to choose I also teach you how you can better emphasize the various hooks you already have in your book if you've already published and don't have time for a full edit You can use this framework to Make sure your next release is written to market Fix an underperforming first in series or other reader magnet so your series starts selling better Build a breakout book from the ground up to bring visibility to your entire catalog You became a creative to express yourself and share your stories Editing For Marketability helps you connect to a larger audience without sacrificing your characters plot or autonomy over your work

New Vampire Disorder Series Marie Johnston, 2021-04-10 A vampire's job is never done Stryke's a demon who's harbored a massive crush on Zoey Will he get a happily ever after with the vampire Melody's an innocent human with a massive crush on Creed But when she absorbs demon energy can she gain control of herself and her new power to keep from being enemy number one Bastian's a butler who teams up with Ophelia but are they enough to keep his charge safe The second New Vampire Disorder box set contains books 4-6 For readers who also like Larissa Ione T S Joyce Zoe Chant Charlene Hartnady and Milly Taiden Alisa Woods JK Harper Felicity Heaton Celia Kyle Marina Maddix Lorelei Moone Callista Ball Layla Nash AJ Tipton Christina Phillips LG Castillo Mac Flynn Alisa Woods JR Ward Gena Showalter Kresley Cole May Sage Brenda K Davies Lee Savino Renee Rose Vivian Arend Amelia Shaw Ines Johnson NJ Walters Krystal Shannon Grace Goodwin and Eve Langlais Paranormal romance paranormal romance series enemies to lovers bodyguard paranormal paranormal romance books for adults immortals immortal romance fantasy romance alpha hero strong heroine action adventure no cliffhangers guaranteed HEA happily ever after action romance fated mates happy ending happily ever after
