It uses a visual metaphor based on the groundbreaking new Pressure Cooker Model to help you understand the condition and to reduce the symptoms. Firmly rooted in neuropsychological principles, this model is practical and relatable, bridging the gap between theoretical and clinical models of FND. The Pressure Cooker Model focuses on the person with FND as well as the contribution of the person's environment, interactions, relationships, and surroundings to FND and looks to improve recovery, reduce stigma, and increase FND awareness, providing a radical shift in thinking about FND. Grounded in neuropsychology, this book helps people understand their FND triggers as well as their emotional and physical symptoms and offers many strategies for self-care and building healthy relationships. The book is accompanied by an extensive set of entirely free online resources and templates to help people with FND manage a range of genuine and disabling functional neurological symptoms from motor symptoms such as tremors, functional weakness, and gait difficulties to sensory symptoms such as tingles and numbness and cognitive symptoms such as memory and concentration difficulties or brain fog and dissociative seizures. It is valuable reading for anyone with FND, their partners, families, and friends as well as healthcare professionals in any field working with people with FND.

The Publishers Weekly, 1994 *Project Soul. Life is a Story - Story.one* Frida Esche, 2024-08-23 *The woman next door* Ciro Irmici, 2024-11-30 The Woman Next Door In the quiet serenity of a suburban neighborhood where life is measured by the hum of lawnmowers and friendly waves over picket fences, a newcomer moves into the house next door. Polished and mysterious, the new neighbor exudes an aura of intrigue, turning heads and sparking curiosity. For Laura, a young mother piecing her life back together after the wreckage of a failed marriage, the neighbor's arrival seems like a welcome distraction. Yet as their lives begin to intersect, Laura notices that things aren't as perfect as they seem. Strange events disrupt the peaceful streets. Odd behaviors hint at secrets buried deep. And whispers from the neighbor's shadowy past weave an unsettling narrative that Laura cannot ignore. As Laura digs deeper, what begins as innocent curiosity spirals into a dangerous obsession. Each revelation pulls her further into a web of lies, deception, and chilling truths. The more she uncovers, the closer she edges to a reality that could shatter her world or save it. **The birth diamond numerological chart - book and workbook** Eric Jackson Perrin, 2016-09-12 Who are you?
