The Never Hero T. Ellery Hodges, 2014-09-12 What if when you died no one would ever know you were all that stood between man and the enemy When Jonathan Tibbs awakes in a puddle of his own blood there isn't a scratch on him to explain it In the weeks to follow he comes to find he's been drafted for a war with a violent otherworldly species A war that only he can remember Now the man Jonathan imagined himself becoming is no longer the man who can endure his future The first installment in this science fiction action adventure series The Never Hero is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon Abandoned with little guidance and at the mercy of a bargain struck far outside his reach Jonathan races to unlock the means to surmount the odds and understand the mystery behind a conflict raging outside of time and memory In the end the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice
