Perspective Tom Obokata,2006 It has been widely accepted that trafficking of human beings is a human rights issue However it has been difficult to address the human rights aspects of the phenomenon in practice because a comprehensive analysis of applicable human rights norms and principles has not been fully developed and therefore the nature of obligations imposed upon States is not entirely clear The purpose of this book then is to establish a human rights framework to promote better understanding of the multi faceted problems inherent in trafficking of human beings articulate obligations imposed upon States and facilitate a holistic approach The book also contains chapters on case studies at the national regional and international levels thereby combining the theory and practice Contemporary Issues in Human Rights Law Yumiko

Nakanishi,2017-10-05 This book is published open access under a CC BY NC ND 4 0 license This book analyzes issues in human rights law from a variety of perspectives by eminent European and Asian professors of constitutional law international public law and European Union law As a result their contributions collected here illustrate the phenomenon of cross fertilization not only in Europe the EU and its member states and the Council of Europe but also between Europe and Asia Furthermore it reveals the influence that national and foreign law EU law and the European Convention on Human Rights and European and Asian law exert over one another The various chapters cover general fundamental rights and human rights issues in Europe and Asia as well as specific topics regarding the principles of nondiscrimination women s rights the right to freedom of speech in Japan and China s Development Banks in Asia Protection of human rights should be guaranteed in the international community and research based on a comparative law approach is useful for the protection of human rights at a higher level As the product of academic cooperation between ten professors of Japanese Taiwanese German Italian and Belgian nationalities this work responds to such needs **A Transnational Human Rights Approach to Human**

Trafficking Yoon Jin Shin,2017-11-06 In A Transnational Human Rights Approach to Human Trafficking Empowering the Powerless Yoon Jin Shin proposes an innovative approach to empower individuals victimized by human trafficking one of the most serious human rights challenges in today s world of globalization and migration Based on thorough empirical research and extensive comparative studies Shin illuminates complex realities of migrant individuals experiencing trafficking situations and the problems of the current anti trafficking regime driven by destination countries self interest in crime and border control Shin suggests an alternative transnational human rights framework in which victimized migrants who have been treated as passive targets of victim witness protection or immigration regulation finally attain their true voices as empowered rights holders and effectively exercise their human civil and labor rights Shin received the 2014 2015 Ambrose Gherini Prize the highest prize awarded in the field of International Law by Yale Law School for her doctoral dissertation on which this book is based *Handbook on Global Constitutionalism* Anthony F. Lang,Antje Wiener,2023-11-03 This thoroughly revised Handbook presents an up to date political and philosophical history of global constitutionalism By exploring the constitutional like qualities of international affairs it provides key insight into the evolving world order *The*

Oxford Handbook of Transnational Law Peer Zumbansen, 2021 The Oxford Handbook of Transnational Law offers a comprehensive compendium for the field of Transnational Law by providing a unique and unparalleled treatment and presentation in an area that has become one of the most intriguing and innovative developments in legal doctrine scholarship theory as well as practice today With a considerable contribution from and engagement with social sciences the Handbook features numerous reflections on the relationship between transnational law and legal practice *Decoding International Law* Susan Tiefenbrun, 2010-05-06 Violations of international law and human rights laws are the plague of the 20th and 21st centuries People's inhumanity to people escalates as wars proliferate and respect for human rights and the laws of war diminish *Decoding International Law* analyses international law as represented artfully in the humanities **Essential Texts on European and International Asylum and Migration Law** Gert Vermeulen, Ellen Desmet, 2022-12-30 This volume comprises the relevant legal instruments in the area of international and European asylum and migration The range of issues covered is comprehensive human rights nationality and statelessness equal treatment non discrimination racism and xenophobia citizenship residence and free movement borders border management and entry visa and passenger data labour migration family reunification asylum subsidiary and temporary protection irregular migration and trafficking in human beings The texts have been ordered according to the multilateral co operation level within which they were drawn up either the United Nations the Council of Europe or the European Union including Schengen level instruments This edition provides practitioners authorities policy makers scholars and students throughout Europe with an accurate and up to date compilation of essential texts on asylum and migration matters All texts have been updated until 12 December 2022 *Accountability and Corporate Human Rights Violations in Tort and International Law* Emmanuel Nartey, 2021-10-04 This volume identifies a coherent legal principle in order to establish a novel duty of care for corporate human rights violations and environmental damages It examines whether tort and civil law offer better accountability and remedies for victims of corporate human rights abuses and carries out an in depth and critical analysis of the concept of corporate accountability Moreover a fundamental part of this book is devoted to examining the extent to which international criminal law influences international human rights law in its use of tort law and civil law remedies Finally the book sets out a theoretical mechanism for duty of care as well as a proposal for the establishment of a Hybrid International Transnational Corporation Court that would have the potential to effectively interpret the concept of the corporate duty of care under tort law **Foundations of International Migration Law** Brian Opeskin, Richard Perruchoud, Jillyanne Redpath-Cross, 2012-09-27 A stimulating survey of the key themes in international migration law *'Boat Refugees' and Migrants at Sea: A Comprehensive Approach* Violeta Moreno-Lax, Efthymios Papastavridis, 2016-11-21 This book aims to address boat migration with a holistic approach The different chapters consider the multiple facets of the phenomenon and the complex challenges they pose bringing together knowledge from several disciplines and regions of the world within a single collection Together they provide an integrated

picture of transnational movements of people by sea with a view to making a decisive contribution to our understanding of current trends and future perspectives and their treatment from legal doctrinal legal theoretical and non legal angles The final goal is to unpack the tension that exists between security concerns and individual rights in this context and identify tools and strategies to adequately manage its various components garnering an inter regional multi disciplinary dialogue including input from international law law of the sea maritime security migration and refugee studies and human rights to address the position of migrants at sea thoroughly *International Law for Small-Scale Fisheries* Julia N.

Nakamura,2025-03-27 This book provides an original and groundbreaking account of the applicability and key contributions of international law to small scale fisheries a fisheries subsector that has been historically overlooked by governments and international legal scholarship Small scale fisheries constitute most of the world s capture fisheries workforce they sustain the livelihoods of fishers and their communities while building and transmitting traditional knowledge and culture Significant attention has been given to small scale fisheries by the international community over the past decade building the momentum for dedicated research on such a topic Nevertheless the literature examining small scale fisheries from an international legal perspective remains scarce This book fills this gap by systemically examining different international legal regimes to unravel the normative foundations for securing the meaningful participation of small scale fisheries peoples in international fisheries management It connects the ecosystem approach a key principle of international fisheries law and the human rights regime to elucidate the benefits that participatory international fisheries management brings to enhance both the ecological and social aspects of fisheries sustainability It also examines the extent to which fisheries governance is democratic and provides an enabling framework for the integration of fishers knowledge into international fisheries management It is thereby oriented toward more justice and fair outcomes for small scale fisheries This book will be a valuable resource for academics and researchers with an interest in the governance of fisheries in international law the law of the sea environmental law and human rights law as well as to practitioners and policymakers working on the development and implementation of laws and policies governing fisheries and natural resources *Kalyana Mitra: Volume 11* Prof. Katta Narasimha Reddy, Prof. E.
