Preparation Guide for IPMA Individual Certification Bert Hedeman, Roel Riepma, 2024-09-23. This Preparation Guide for IPMA Individual Certification is a must for anyone preparing for the IPMA D and IPMA C project management exams through one of the IPMA Member Associations based on the ICB version 4. This book follows the same structure as the textbook *Project Management by ICB4* and includes a summary of the learning objectives covered in the textbook and many multiple choice and open-ended questions with answer indications to practice the material. Multiple choice questions with answer indications are included for all the Basic learning objectives. Open-ended questions with sample answers are included for all the main topics of the learning objectives in both the Basic and Advanced sections. The multiple questions are formulated at Bloom level C Comprehensive. The open-ended questions are formulated at different Bloom levels. The Bloom level at which the questions are formulated is indicated in the title of each question. The open-ended questions are all based on a short case study. They are always about applying the project management framework and supporting theories as indicated in the textbook. Each IPMA Member Association independently decides which learning objectives apply to their IPMA D and IPMA C certification levels. To determine which learning objectives consult your IPMA Member Association's website. This Exam Prep contains more than 400 multiple choice questions and 225 open questions, the latter totalling more than 650 marks, so a wealth of practice material. An extensive team of IPMA trainers and project managers has reviewed the Exam Prep book.
