 Gallagher, Eugenia R. Mora-Flores, 2014-08-12 *Early Childhood Curriculum for All Learners Integrating Play and Literacy*
Activities is designed to teach early childhood professionals about the latest research on play and early literacy and then to
 show them practical methods for adapting this research to everyday classroom practices that will encourage the development
 of learning skills The authors link solid play based research to specific developmentally appropriate practices By combining
 these two areas the text demonstrates that academic learning and play activities are highly compatible and that children can
 and do develop academic skills through play In addition the text focuses on socio dramatic play a recently acknowledged
 essential aspect of child initiated play interactions It provides specific strategies that link these interactive behaviors with the
