American pragmatist thought Epstein uncovers the collision between radical self reliance and the siren call of the interpersonal at the core of postwar American poetry *Fire in Every Touch* Scarlett Vale,2025-10-22 When passion collides with danger nothing stays hidden for long Fire in Every Touch gathers twenty steamy romances into one addictive collection that will keep you reading deep into the night Inside lovers cross lines they swore they never would surrender to desires they tried to resist and face truths sharp enough to break them A forbidden kiss in the dark An affair that risks everything A chance meeting that sparks a fire too consuming to ignore Each story delivers temptation at its fiercest scorching attraction high stakes and choices that can t be undone From secret office romances and reckless summer flings to liaisons that blur the line between love and ruin every tale promises heat danger and intensity that refuses to fade If you loved Heat in Every Heart this companion set takes you deeper into the forbidden and the irresistible Because once desire takes hold nothing and no one comes out the same Fire in Every Touch isn t just a collection It s an invitation to step into love at its hottest *Dead to the Max* Jasmine Haynes,Jennifer Skully,2019-07-29 A ghost a psychic and one very hunky detective all tied up with a bit of murder and mayhem Thirty something down on her luck accountant Max Starr has the unfortunate gift of being psychic a newly discovered wrinkle in her already messed up life Her husband Cameron is dead killed in a botched 7 11 robbery two years ago She s cut herself off from friends moved out of her San Francisco home in favor of a studio apartment and dumped her flourishing career as a CPA to do temp work And now Max has developed an annoying penchant for attracting the spirits of murdered women Okay they possess her And to exorcize them Max must unmask their killers But how By stepping into the void their deaths created taking their jobs befriending the loved ones they left behind Max goes wherever she has to go and does whatever she has to do with a lot of help from the ghost of her late husband Cameron and hunky and very enticing Detective Witt Long Now Max must step into the shoes of a murdered accountant and starts to learn that even supposedly boring accountants can have secret lives and secret desires Max just has to hope the secrets she uncovers don t get her killed too Dead to the Max is Book 1 in the contemporary paranormal romance mystery Max Starr series The Max Starr series Dead to the Max Book 1 Evil to the Max Book 2 Desperate to the Max Book 3 Power to the Max Book 4 Vengeance to the Max Book 5 REVIEWS for the Max Starr series 4 Hearts Dead to the Max is funny and sad all at once it is a true murder mystery it keeps you guessing until the very end The Romance Studio RTR Reviewers Choice Award Intense emotions high voltage drama and adventure along with delicious sex scenes The Road to Romance This book will put you through the wringer Sensual Romance Reviews 4 1 2 Flames DEAD TO THE MAX is a striking read I m very anxious to get my hands on Book 2 Sizzling Romance Reviews *Athenaeum and Literary Chronicle* ,1863 [Alexander and Delphine](#) Camila John,2013-10-16 Mankind was blessed with the will to survive yet even the bravest among us carry scars There are wounds we can see on the surface but too often the secret scars we carry in our souls are the most crippling of all Impeding our progress we allow the mistakes of the unchangeable past to build a barrier Forgiving others is only half the battle The bigger war lies in forgiving
