The New Jim Crow Book:

The New Jim Crow Michelle Alexander, 2019-06-06 The New York Times bestseller and Bible of a social movement San Francisco Chronicle Once in a great while a book comes along that radically changes our understanding of a crucial political issue and helps to fuel a social movement The New Jim Crow is such a book Lawyer and activist Michelle Alexander offers a stunning account of the rebirth of a caste like system in the United States one that has resulted in millions of African Americans locked behind bars and then relegated to a permanent second class status denied the very rights supposedly won in the Civil Rights movement Challenging the notion that the election of Barack Obama signalled a new era of colourblindness in the United States The New Jim Crow reveals how racial discrimination was not ended but merely redesigned By targeting black men through the War on Drugs and decimating communities of colour the American criminal justice system functions as a contemporary system of racial control relegating millions to a permanent second class status even as it formally adheres to the principle of colourblindness A searing call to action for everyone concerned with social justice The New Jim Crow is one of the most important books about race in the 21st century **The New Jim Crow**

system Once a person is labeled a felon employment and housing discrimination are legal even expected furthermore the right to vote educational opportunities jury service and food stamps as well as other forms of public benefit are revoked The pre Civil War and pre Civil Rights Movement discrimination has not ended but been redesigned Here Is A Preview Of What You ll Learn When You Download Your Copy Today How Jim Crow Laws Have Evolved Through American History The Reason Why America Has The Highest Incarceration Rate Learn How The war On Drugs Was Set Up To Target Minorities Download Your Copy Today The contents of this book are easily worth over 9 99 but for a limited time you can download the summary of Michelle Alexander s *The New Jim Crow* by for a special discounted price of only 2 99 **The New Jim Crow Study**
