The Art and Science of Heroism and Heroic Leadership Scott T. Allison,James K. Beggan,Olivia Efthimiou,2019-06-21 Heroism is a rich elusive phenomenon Any adequate understanding of heroic behavior requires a new type of scholarly imagination one that taps into human artistic sensibilities as much as it does the rigors of scientific inquiry In an important sense we invoke a meta version of the call to heroic imagination by Franco Blau and Zimbardo 2011 who describe such imagination as a mind set and a collection of attitudes p 13 that can steer everyday people toward heroic achievement This eBook also merges our understanding of heroism with heroic leadership demonstrating that heroic leadership applies the principles of heroism in moving groups toward noble collective goals This eBook represents an effort by a distinguished group of authors to unleash their own creative mindsets attitudes and imaginations in their scholarship on heroism and heroic leadership Bedtime Stories for Kids Edin Brow R,2021-04-19 Bedtime Stories 4 Best Practices to Gear up the Art is designed to help the storyteller with best practices that are essential to spend quality time with children The classic stories in this book are retold to imbibe moral values right at the young age The author has taken traditional stories and added colours to enhance the art of storytelling The Illustrators have taken effort to mix and match the taste of children to read think create and develop their artistic and creative skills Bedtime Story Telling is a traditional form of telling stories which helps the young and even old people to sleep without stress and disruption It enhances the brain s thinking ability and language development It also creates special bonding between the parent and child This book improves the storyteller to start telling

stories in a better way that would spread positive impact in the family atmosphere

**Memory Studies in the Digital Age**  
D Sudha Rani, Rachel Irdaya Raj, 2025-02-25

This interdisciplinary volume attempts to gauge the individual and social issues related to memory with an understanding of memory studies as an independent body of scholarship. It draws on multiple fields of knowledge like popular culture, history, literature, oral cultures, and storytelling, which facilitates a panoramic view of memory studies. This book investigates the intersection between memory studies, oral literature, and digital technology. It is also informed by the consciousness of memory in the digital age, which plays an integral role in what is remembered, forgotten, the form in which such memories are stored, and how they might be retrieved in the future. This book will be an invaluable resource for those involved in research from undergraduate to post-doctoral level. This includes sociologists, psychologists, historians, artists, academicians, as well as research scholars from other disciplines.
