2 NEPHEI 10:12-22

12 And I will fortify this land against all other nations.

13 And I will raise up a king against me, and he shall perish.

14 For he that raiseth up a king against me shall perish, for I the Lord am the king of heaven, and I will be a light unto the eyes of the nations.

15 Wherefore, for this cause, that my covenants may be fulfilled unto the children which I have made unto the children of men, that I will do unto them while they are in the flesh, I must destroy the secret works of darkness, and of murders, and of abominations.

16 Wherefore, he that fighteth against Zion, both Jew and Gentile, both bond and free, both male and female, shall perish; for they are they who are the "bore of all the earth, for they who are not for me, shall perish, saith our God."

17 For I will fulfil my promises which I have made unto the children of men, that I will do unto them while they are in the flesh.

18 Wherefore, my beloved brethren, thus saith our God: I will afflict the seed by the hand of the Gen-

tiles; nevertheless, I will restore the hearts of the Gentiles, that they shall be like unto a father to them; wherefore, the Gentiles shall be blessed and numbered among the house of Israel.

19 Wherefore, I will conserve this land unto thy seed, and them who shall be numbered among thy seed, forever, for the land of their inheritance; for as I have chosen this land, wherefore I will have all men that dwell therein that they shall worship me, saith God.

20 And now, my beloved brethren, seeing that our merciful God has given us so great knowledge concerning these things, let us remember him, and lay aside our sins, and not bring down our heads, for we are not cast off; nevertheless, we have been driven out of the land of our inheritance; but we have been led to a better land, for the Lord has made the sea our path, and we are upon an "isle of the sea."

21 But great are the promises of the Lord unto them who are upon the "isles of the sea; wherefore as it says isles, there must needs be more than this, and they are inhabited also by our brethren.

22 For behold, the Lord God has

Watson, Adrian H. W. Curtis, 2022-08-01 Arguments over the relationship between Canaanite and Israelite religion often derive from fundamental differences in presupposition methodology and definition yet debate typically focuses in on details and encourages polarization between opposing views inhibiting progress This volume seeks to initiate a cultural change in scholarly practice

by setting up dialogues between pairs of experts in the field who hold contrasting views Each pair discusses a clearly defined issue through the lens of a particular biblical passage responding to each other's arguments and offering their reflections on the process Topics range from the apparent application of chaos and divine warrior symbolism to Yahweh in Habakkuk 3 the evidence for monotheism in pre Exilic Judah in 2 Kings 22 23 and the possible presence of chaos or creatio ex nihilo in Genesis 1 and Psalm 74 This approach encourages the recognition of points of agreement as well as differences and exposes some of the underlying issues that inhibit consensus In doing so it consolidates much that has been achieved in the past offers fresh ideas and perspective and through intense debate subjects new ideas to thorough critique and suggests avenues for further research

Scripture, Interpretation, or Authority? Thomas Kazen,2013-11-15 In this study of motives and arguments in Jesus halakic conflicts Thomas Kazen suggests a way beyond the use of traditional criteria of authenticity Employing results from recent research on the development of halakah during the Second Temple period which outlines trajectories and areas of tension within and between various Jewish movements the author revisits the Synoptic conflict narratives about Sabbath observance purity rules and divorce practices Kazen disentangles theological motives from reasonable historical explanations and suggests relative dates and contexts for motives and arguments often ascribed to Jesus He questions interpretations which focus on unique authority and suggests that Jesus stance is better explained within the framework of prophetic criticism and a traditional Israelite understanding of Torah With this study he contributes as

much to our understanding of halakic development during the Second Temple period as he does to our understanding of the historical Jesus and his relationship to contemporary movements Bible Study Journal Series - John J M
