Takeover A Step Brother Romance:

Takeover Lana Grayson, 2015-05-21 A reckless sacrifice to protect a family legacy Sarah Kidnapped Imprisoned Ravished When tragedy stole my family my father's will mandated my future I didn't inherit Atwood Industries I became the only one capable of protecting it Atwood Industries belongs only to a male heir my heir And my enemies my own step brothers will stop at nothing to create a shared bloodline But they've made a mistake and they'll forever regret trying to control me Nicholas Damned Destroyed Enthralled My family's livelihood depended on acquiring the rival Atwood Industries and seizing the innocent woman bound within its terms of succession I never expected such a challenge from my step sister I never thought I'd betray my own blood to protect her from the nightmare we began But if I don't stop her the woman I'm forbidden to love will sacrifice herself to tear apart my billion dollar empire Note This novel is a dark romance which will include themes of captivity abuse and sexual encounters with multiple partners The story may be uncomfortable for certain readers However the series will feature a Happily Ever After and will not include themes of cheating adultery Hostile takeover Cayce Poponea, 2021-02-25 A desperate man looking for salvation A lonely woman seeking her own happy ever after A not so friendly bet fusing them together Not all demons live in Hell Gabriel Langston has it all good looks a fat bank account and a reputation for dating beautiful women He's poised to take over as CEO of his family's company following the tragic death of his father There's only one catch he has to get married Shouldn't be a problem after all he has the means Too bad there's one tiny flaw keeping him single Brooke D Angelio lives paycheck to paycheck juggling work school and the responsibilities her mother left her With one semester of college left and an inbox full of job offers she needs to hold on just a little longer When an act of kindness turns into her worst nightmare will Brooke have what it takes to survive Or will her happy ending be found in the pages of a book Hostile Takeover is the latest billionaire romance from bestselling author Cayce Poponea If you enjoy a strong alpha male whose arsenal of charms fail to lure the evolving lead female then you will love Hostile Takeover Join Cayce as she takes you on a twisted ride through the love and loss of two people destined to be together **The Takeover** Teyla Branton, 2015-09-30 Takeover One Last Chance for Humanity Since the announcement of Unbounded existence the mortal world has quickly polarized One faction wants all Unbounded Renegade and Emporium dead Others worship them as gods who have come to save the world and bring it immortality The tension between these groups is ready to explode Meanwhile the Emporium has a new player one who has upped the stakes in the battle for humanity Many innocent mortals are sacrificed as the Emporium Triad grabs for control As Erin Radkey Ritter Langton and their Renegade allies struggle to stay one step ahead of the enemy their increasing abilities are tested to the limit as is their trust in each other They have only one chance to change the game to save humanity A desperate plan that requires an ultimate price no one can bear to pay But everything is not always what it seems especially in the world of the Unbounded The Takeover amazingly pulls in threads from all the previous novels for a richly satisfying series conclusion From Jace's parentage and Stella's baby to Keene's

ability and Cort's past it all comes together The Unbounded series is one that will always stand out in my mind Jody Babcock Praise for the UNBOUNDED series Enough paranoid twists and turns to keep the reader turning pages the author has clearly thought through the nuances of the story's theme and engineered a few surprising plot twists that elevate it above the level of the average thriller Publishers Weekly Excellent and well written I recommend reading the entire series Thoroughly enjoyable High action and adventure Teyla Branton belongs right alongside Patricia Briggs Kim Harrison Jennifer Estep and Kelly Armstrong Unbounded Series 1 The Change 2 The Cure 3 Protectors which contains Ava's Revenge Mortal Brother and Set Ablaze 4 The Escape 5 The Reckoning 6 Lethal Engagement 7 The Takeover 8 The Avowed More coming in 2022
