They say some people are favored by the gods. Others need to make their own luck. Book 1: There is a single lesson in the heart of every Viking. Those who use magic are put to death. When a handsome young warrior rides into her village and Liv barely has time to notice. There is coin to be made with the arrival of the king. But the fates have other plans. including one who would seek to separate them forever even if it means biding his time until Alastor and Tristan are at their most
