Talking About Homosexuality A Congregational Resource Holy Conversations:

Talking about Homosexuality Karen P. Oliveto, Kelly Turney, Traci C. West, 2005 Talking about Homosexuality is the first book in the new series Holy Conversations A Study Tool for Theological Reflection around Debates in the Church that Considers Scripture Tradition Reason and Experience Over the course of six sessions through conversation study and exercises participants reflect on their Christian beliefs and personal experiences guided by the categories of the Wesleyan quadrilateral scripture tradition experience and reason The book includes a Facilitator's Guide BOOK JACKET Out of Exodus Darryl W. Stephens, Michael I. Alleman, Andrea Brown, Ruth A. Daugherty, Mary Merriman, 2018-05-02 Biblical and progressive Mainline and charismatic Faithful and questioning This book is not what you think it is The story of the Exodus is told in parallel with testimonies sermons and personal reflections from a congregation in Lancaster Pennsylvania challenging the reader to a journey of faith Along the way it becomes clear that open and affirming ministry transcends LGBTQIA inclusion It is also about race relations poverty generational change divorce immigration and any other human created barrier to loving God and neighbor Tools for the journey Finding a new voice amid profound social change is a difficult and vitally important task Many congregations and entire denominations are in the process of figuring out how to express a new voice of faith particularly in our understanding of sexuality and gender Christians are experiencing nothing less than a holy disruption caused by the Spirit among us The book concludes with a discussion of challenges to community and ministry Helpful appendices provide congregational resources and discussion questions for group study The stories in this book include experiences of and with persons in many denominational settings Roman Catholic Unitarian Universalist Presbyterian Church in Taiwan Metropolitan Community Church United Church of Christ United Brethren Church of the Brethren Society of Friends Quakers and United Methodist This is truly an ecumenical journey **Defending Same-sex Marriage: Our family values : same-sex marriage and religion** Mark Philip Strasser, Traci C. West, Martin Dupuis, William A. Thompson, 2007 Places the struggle for marriage rights in the context of other American civil rights movements advocating legal and religious recognition of same sex marriage while educating the public about what gay marriage does and does not mean for the future of the institution of marriage *Ministry Among God's Queer Folk* David Kundtz, Bernard S. Schlager, Bernard Sloan Schlager, 2007 This practical handbook written by two self-described queer people of faith covers the basic skills religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons within as well as outside their congregations and communities **Holy Conversations** Gil Rendle, Alice Mann, 2003-11-01 Planning can be challenging in the contemporary congregation where people share a common faith and values but may have very different preferences and needs Much of the literature on congregational planning presents it as a technical process the leader serves as the chief problem solver and the goal is finding the solution to the problem Popular Alban consultants and authors Gil Rendle and Alice Mann cast planning as a holy conversation a

congregational discernment process about three critical questions Who are we What has God called us to do or be Who is our neighbor Rendle and Mann equip congregational leaders with a broad and creative range of ideas pathways processes and tools for planning By choosing the resources that best suit their needs and context congregations will shape their own strengthening transforming holy conversation They will find a path that is faithful to their identity and their relationship with God Resource materials are available to purchasers of the book E mail resource material rowman com for more information

Defending Same-Sex Marriage Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States
