Reading and Writing for Pleasure Teresa Cremin,Helen Hendry,Liz Chamberlain,Samantha Jayne Hulston,2025-09-12 Reading and writing for pleasure represent issues of global concern and interest in policy research and practice underpinned by evidence illustrating their importance for young people s academic social and emotional experiences and outcomes In the face of a sustained decline in children s enjoyment in both reading and writing this highly significant book presents findings from a three year study of research and practice that nurtures young people s engagement as readers and writers The book offers a rich understanding of the study highlighting the commonalities and synergies identified from the research literature and diverse practice contexts It introduces a new and powerful Reading and Writing Framework for Practice for schools and charitable literacy programmes The authors offer practical strategies and recommendations throughout for practitioners researchers and policy makers who wish to advance this agenda in their own contexts Areas covered include The nature of reading and writing for pleasure Literate identities Motivating readers and writers Social interactions Role models and connected communities Future research practice and policy This field defining text is a key resource for all those committed to halting the decline in young people s engagement as volitional readers and writers

Work of Fiction Christina Williams,2024-08-20 Work of Fiction Making a Living from Writing in the UK explores the lived experiences of fiction writers in the UK and how they make a living Based on a substantial body of interviews with a range of fiction writers it considers the ways that writers think about and talk about writing as work and how discourses of writing operate to support or undermine them as cultural workers It argues that discourses of love luck magic and being a writer function in complex ways to position writers in enchanted and elevated spaces which both nurture their practice and undermine their status as remunerated workers in the creative sector The book shows how the positives and negatives of often precarious cultural work are played out for fiction writers It has implications for writers in the ways that they think about and talk about themselves as workers and how the publishing industry values their contributions
