The Book of Life Secrets for Today's World Rai Flowers, Rasheed Flowers, 2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year. Each day's entry includes a focus point, and that point is emphasized and supported by specific citations from The Bible. The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words. Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God's words. The format of this manuscript is engaging. The daily entries give the reader a new thought to ponder each day. The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God's words support this thought.
