T10 Manual Transmission Fluid Capacity:

The History of AMC Motorsports Bob McClurg, 2016-01-15 When thinking of a manufacturer's racing involvement AMC is not a manufacturer that immediately comes to mind. Yet even from the very beginning of American motorsports the companies that became AMC had some serious involvement in motorsport. From the early Nash and Hudson models all the way through the muscle car era AMC had direct involvement in racing. The success of Nash and Hudson in early NASCAR racing, AMC Javelins in Trans Am racing, and AMC's involvement with Mark Donahue and Roger Penske in both their Trans Am and 1970s NASCAR teams prove that AMC was in it to win it. The History of AMC Motorsports from veteran racing journalist Bob McClurg covers it all from a Nash American Motors corporate history, the first years of NASCAR, the 1960s efforts that included Trans Am and drag racing Super Stock programs to the Craig Breedlove land speed record efforts when 106 world records were shattered and covered by Hot Rod magazine. And let's not forget the 1970s Trans Am championships with Donahue and Penske and finally the NASCAR success with Bobby Allison in the always curious looking Matador which is also covered here. Never before has a single volume chronicled the events that encompass AMC racing history. Whether a hardcore racing history fan or a casual enthusiast of the AMC street offerings, *The History of AMC Motorsports* provides a unique showcase vital to every enthusiast's library.
