Tabitha Finding A Preppers Dream:

Tabitha Bonnie Dicrocco, 2014-02-04 This is a modern tale of a family and town that faced economic collapse along with an EMP event Tabitha tried for many years to teach the families to put up foods and other supplies in case of emergencies It wasn't about zombies she just wanted folks to have enough to feed themselves No one listened most even mocked her That is until it all fell apart the economy the weather and finally the grid They learn to survive and flourish thanks to the efforts of a woman named Tabitha She is stronger than anyone ever expected as she leads a town to their future **The City Parent**

Handbook Kathy Bishop, Julia Whitehead, 2004-08-25 For adults the frenetic pace constant movement and variety of cultural social and retail offerings of life in a big city can be as exhilarating as a day at Disneyland But for an unprepared parent those very same attributes can make raising small children in the city as jarring as a ride on Magic Mountain Fortunately family life in an urban setting can be a stimulating and enriching experience just as long as parents are armed with the information they need to navigate the unique waters of city life and kids **THE CITY PARENT HANDBOOK** The Complete Guide to the Ups and Downs and Ins and Outs of Raising Young Kids in the City A Rodale Trade Paperback Original Publication Date September 1 2004 Price 17 95 by Kathy Bishop and Julia Whitehead is a practical advice book reference guide and survival manual all rolled into one Written with insight and humor by two New York City mothers it provides invaluable information from a slew of experts across the country as well as insider tips that can come only from those who have been there Geared to people just considering raising kids in a city as well as to parents who already shiver with night sweats over how to get in to that great city school or whether they will be evicted because their tots are being well tots it provides the city spin on a plethora of child rearing topics Starting with finding the right neighborhood for raising little ones authors Bishop and Whitehead walk readers through virtually every imaginable aspect of child rearing in urban areas Part One deals with the all important basics the fundamentals of family apartment living staying sane in small spaces handling those urban health hazards and safety issues and the nuances of city childcare Part Two takes the reader out and about providing a primer on playgrounds ways to help kids connect with nature and fitness when open spaces are in short supply of course it includes a list of the best city pets tactics on getting around with kids in tow from strollers to breastfeeding on the go ideas for making the most of city culture and all things entertainment including museums performing arts theatre ethnic celebrations and dining out And it deals with the psychosocial impacts a city can have on even the youngest children giving advice on how to turn the potential negatives of city exposure jadedness rudeness intolerance into the character forming experiences you always hoped to offer your child Part three focuses on education providing ground rules valuable to any parent dealing with the urban education conundrum a solid digest of the basics of private and public city systems and actions the smart city parent should take to obtain a great education for their child Throughout **THE CITY PARENT HANDBOOK** are helpful City Savvy Tips City Parent Rules Urban A Lists and City Wise Warnings which deliver constructive real life suggestions and information including The four rules for

choosing the best city neighborhood for your family Ten must haves for making the most of storage in cramped quarters How and why you must talk the ER talk with your pediatrician Why urban lead is more of a problem than you may have thought and the easy steps you can take to protect your child against poisoning Three critical rules for negotiating traffic with children and the stupid but common traffic moves that need to be avoided at all costs Potentially lifesaving lessons to teach children and caregivers about fire safety Why city caregiving is different and what you need to know to make it work questions you should ask during interviews how to work with a nanny who doesn't speak your language where to find the best caregiving for your family and how to make sure everyone flourishes What private school admissions directors look for when deciding whether to admit your child and the common mistakes parents make that eliminate their child from consideration Once equipped with the salient facts and information city parents will be prepared for the challenges inherent in urban life and able to take full advantage of all that cities have to offer their children THE CITY PARENT HANDBOOK is required reading for urban moms and dads who want to rear happy healthy and well adjusted kids without moving to the suburbs
