Take Time To Know Her:

Ready for Love, How about Marriage? Anthony T. Henry, 2022-06-03 Ready for Love How about Marriage takes the reader down a cultural religious and sometimes political path in the discourse of love and marriage It explores psychological concepts of love and establishes the characteristics that should be present in love that leads to marriage And what if your quality of love is ready for marriage You will discover the importance of a personal mission statement and how it contributes to developing family goals and values The book helps the reader to manage family conflict crisis and wealth It delves into religion and spirituality and intimacy and sex and takes a look at parenting Whether you are planning marriage or already married there is a read for you **Loving God'S Way** Klaas H Baloyi, 2016-02-29 Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it Society has socialized people into believing love as something they do not have control over Love continues to be viewed as a sudden occurrence that ambushes those who share it without them giving a deep thought of what they are engaging themselves into As the phrase falling in love connotes people have taken it for what it sounds on face value than an expressive phrase it actually is Love cannot be a feeling but a choice It is a conscious decision that one takes at a particular point This book therefore seeks to demystify how love is not a feeling but a decision Yes True love does exist For one to experience it it is important to understand its essence and how it unfolds Gods philosophy of love provides a basis from which to understand and experience the beauty of love That love which regards not of its own but of the other Love is a peculiar partnership which neither anticipates nor forces a contribution of the other partner Engaging in a love relationship however can set you on a path that determines whether you will experience heaven or hell on earth Choosing right is therefore vital **Relationship** Leroy Reynolds, 2015-07-17 The purpose of this book is to help families Today families are torn apart Divorce is on the rise Single parents trying to work and raise a family Children going astray Children against parent and parents against children Families need help And it s all due to the lack of understanding one another My prayer is that this book will shed some light on the problem and bring peace in the family
