Making TikTok Videos Will Eagle, Hannah Budke, Claire Cohen, Andrew Cooper, Jordan Elijah Michael, Andrew Panturescu, 2023-01-19 Create videos using the tricks of TikTok stars Making TikTok Videos reveals the secrets that TikTok celebs and influencers use to make the videos that everyone's watching. Hilarious clips, the latest dances, instruction videos, whatever you want to do, make sure it shows off the latest TikTok styles. This book shows you how to use whatever you have on hand to record, edit, and upload TikToks. Add music and text, get creative, and start sharing your finished products. With this guide, you'll get easy instructions on how to make videos that people remember. You also get some tips on how to bring viewers to your account. Use your mobile device to shoot videos with top-notch sound. Learn the editing tricks TikTok pros use to create a finished video. Set up your TikTok account and set your privacy. Keep up with the latest TikTok video styles. Written especially for the 10-14 age group interested in creating their first TikTok videos, this *Dummies Jr* title will help you get plugged into the TikTok universe.

TikTok Broadway Trevor Boffone, 2024 TikTok Broadway Musical Theatre Fandom in the Digital Age explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces. The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app, expanding musical theatre into a purely digital realm that spills into other non-digital aspects of U.S. popular culture.

The Digital Popular in India Deepali Yadav, Vipin K. Kadavath, 2023-11-24 This book will look at digital popular cultures in the post-millennial Indian context and trace patterns of consumption and forms of agency that it engenders, thus offering an interpretative analysis of digital content on different platforms. The book consists of three sections. The first section centres around novel practices such as transnational consumption of digital popular content. The second section deals with influencer marketing and the ways in which mediated personalities get transformed. The third section includes textual analysis of OTT and other digital content in order to understand its effects on refashioning social identities such as class, caste, and gender.

Goin' Viral Gabriel A. Peoples, 2025-07-22 Black virality refers to the spread of Black performance that becomes uncontrollable because of its rapid and ubiquitous circulation through popular media. Gabriel A. Peoples examines Black people and representations of Black people that have gone viral from the eighteenth century to today. Peoples's analysis ranges from abolitionist and proslavery visual culture to Do the Right Thing, to Bed Intruder Song, and the cellphone video of Derrick Albert's murder. After identifying these moments, he considers how performances go viral in Black ways. He also thinks through the ways Black virality circulates ideas that materially affect Black life. As he shows, an interacting person's vulnerability to racialized gender and racialized sexuality knowledge inspires how they spread a performance. Non-iconic elements of viral moments reveal hard-to-find nuances of Black life, while the artists and others represented in viral moments promote both collective and individual liberation by harnessing their visibility and audibility. Rigorous and expansive, *Goin' Viral* uses Black virality as a new way to understand and frame Black performances.

Dance in US Popular Culture Jennifer

Atkins,2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license **\$8333** Monica Leonelle,2025-01-21
