The Trouble with Kenya: McKenzian Blueprint Lawi Sultan Njeremani, The McKenzian Blueprint Some lines are short some lines are long All lines are variable Some appear parallel but connect in latency Some appear linear When held against the light they reveal dependence or independence Freedom or constraints Empowerment or strife Subjugation or Justice The Trouble with Kenya is a microcosm of any given country's social and justice pillars These pillars have been subordinated to the political and economic pillars in many societies with politics and the economy being deified as the all encompassing enablers of the advancement of Nations With the world becoming more

Days of Defeat and Victory Yegor Gaidar,2012-03-15 Yegor Gaidar the first post Soviet prime minister of Russia and one of the principal architects of its historic transformation to a market economy here presents his lively account of governing in the tumultuous early 1990s Though still in his forties Gaidar has already played a pivotal role in contemporary Russian political history championing the cause of dramatic economic reform aggressive privatization of state enterprises and painful fiscal discipline in the face of widespread popular resistance Gaidar s youthfulness energy and daring are symbolic of a new phenomenon in Russian politics the emergence of a younger generation of politicians with a distinctly technocratic bent looking firmly to the United States and Europe for inspiration and sharing little of the old generation s nostalgia for Communist stability It was largely the implementation of Gaidar s policies that drove the Russian parliament to rebel against Boris Yeltsin in 1993 leading to the bloody tank assault on the parliament itself Though Yeltsin prevailed it was clear that the political and social costs of shock therapy were too great for Russia s fragile democracy to bear and Gaidar himself was ousted to appease the conservatives His unfinished agenda was put on hold though he later returned when Yeltsin needed to placate international financial forces Gaidar remains active in Russian politics having formed his own political party Russia s Democratic Choice In this book he brings his story through Yeltsin s cliffhanger re election in 1996 and assesses the still precarious state of the market reforms and democratic politics
