Millionaire D. R. Barton, Jr., 2017-02-13 America's Millionaires Club now has 10.4 million members, the most ever according to the latest statistics. And it's a club you can join much sooner than you might think, says D. R. Barton Jr., a top trader, television analyst, and former hedge fund officer. In his new book, *The 10 Minute Millionaire*, D. R. has distilled his decades of experience trading the markets into a system so simple that even a new investor can set it up and maintain it in increments of as little as 10 minutes. The 10 Minute Millionaire combines goal setting, stock screening, and trading strategies whose ultimate objective is to give you membership in that Millionaires Club. The system is so simple, D. R. has taught it to sixth graders, yet so powerful it can transform even a small starting stake into lifelong financial freedom in a way that utterly destroys buy and hold investing. Loaded with step-by-step illustrations and personal stories, the 10 Minute Millionaire takes the powerful secrets of Wall Street insiders and breaks them down into an easy-to-understand blueprint for beating the markets day after day, week after week. Using an easy three-step process, D. R. walks you through a repeatable and reliable way to identify the stock market extremes that show up virtually every day. He trains you to properly frame each trade to maximize profit and minimize risk. Finally, he neutralizes the natural biases that lead most traders to financial destruction and shows you how to book big profits from other traders' irrational miscues. This isn't an algorithmic black box. It's not robo trading. The 10 Minute Millionaire system still requires personal involvement. It still requires commitment. But it squeezes out emotion, filters out the noise, slashes the risk, and maximizes your potential for profits and also for meaningful wealth. Once you learn the 10 Minute Millionaire way, it's a system you can operate and update in tiny 10-minute increments. Before you know it, you'll be trading better than a seasoned pro. And you'll watch as your assets turn into true wealth. And you'll learn the most valuable lesson of all: Becoming a millionaire doesn't have to be an unattainable dream. Make it a goal and pursue that goal, and before long that dream will be real.
