The Routledge Encyclopedia of Indian Writing in English Manju Jaidka, Tej N. Dhar, 2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked. Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated, with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English. Showcasing the burgeoning field of Indian English writing, this encyclopedia documents the poets, novelists, essayists, and dramatists of Indian origin since the pre-independence era and their dedicated works. Written by internationally recognized scholars, this comprehensive reference book explores the history and development of Indian writers, their major contributions, and the critical reception accorded to them. The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students, teachers, and academics navigating the vast area of contemporary world literature.
