How to Promote Your Book Jan Yager, 2023-01-18 Writing a great book is the easy part Getting people to buy the book is wicked hard Jan's book shows you what promotion to do so you increase the possibility that your book becomes a bestseller Jeffrey Fox bestselling author *How to Become a Rainmaker* Being an author is 50% creative and 50% promotion Jan Yager's comprehensive and practical book *How to Promote Your Book* tells authors exactly what they need to know and do to promote their book I'm recommending it to all the authors I know including those whose books I share through my Bedside Reading program Jane Ubell Meyer CEO Bedside Reading former TV producer Good Morning America Entertainment Tonight WSJ TV Whether your book is being released through a commercial publisher or an academic press or you are self publishing it as the author you can and should play a crucial role in getting your title seen talked about and sold And while you may

watch dozens of authors pitch their books on TV in social media and in bookstores they represent only a fraction of the writers who come out with new books each year What do they know that you don't They know what to do to get attention for themselves and more important for their books and as you will discover in book publishing veteran Jan Yager's *How to Promote Your Book* you can too The book is divided into three sections Part One begins with a look at promotion basics These include knowing what your book's marketplaces are who your audience is how the media is divided the elements involved in publicity and how to create an effective promotional timeline Once you understand the basics Part Two focuses on the ways to package and market yourself to the various book and media outlets It discusses putting together professional looking press releases and media kits It also explains how to obtain endorsements and reviews as well as how to generate speaking engagements and interviews with journalists bloggers and radio TV and podcast hosts Part Three provides a plan that covers the first three months of an author's publicity program from the day the book is formally released through all the media events that have been lined up Throughout the book you will find insets that answer important questions such as What are the real costs involved and Should I promote myself or hire a publicist Just as important the author includes a valuable resource guide that provides the names addresses and links to many of the key places covered in the book Jan Yager has enjoyed a fabulous career as both a best selling author and a publisher She has been interviewed by many of the top shows on TV and radio In *How to Promote Your Book* she lets you in on what she has done both for herself and for her authors to open the door to effective publicity

Narratives, Nerdfighters, and New Media Jennifer Burek Pierce, 2020-11-15 For decades we've been warned that video killed the radio star and more recently that social media has replaced reading Nerdfighteria a first of its kind online literary community with nearly three million members challenges these assumptions It is the brainchild of brothers Hank and John Green who provide literary themed programming on their website and YouTube channel including video clips from John a best selling author most famous for his young adult book *The Fault in Our Stars* These clips not only give fans personal insights into his works and the writing process writ large they also provide unique access to the author inspiring fans to create their own fan art and make connections with one another In the twenty first century reading and watching videos are related activities that allow people to engage with authors and other readers Whether they turn to *The Fault in Our Stars* or titles by lesser known authors Nerdfighters are readers Incorporating thousands of testimonials about what they read and why Jennifer Burek Pierce not only sheds light on this particular online community she also reveals what it tells us about the changing nature of reading in the digital age In Nerdfighteria we find a community who shows us that being online doesn't mean disinterest in books

Social Media for School Leaders Brian Dixon, 2012-08-27 How to create an effective social media strategy for a school or district School leaders may be familiar with social media in their own lives but many still need help in effectively using social media in their professional practice In this book Brian Dixon an expert in social media in education offers detailed descriptions of the best online tools available today

and provides step by step instructions for using them to move a school community from awareness to advocacy and from feedback to collaboration Offers school leaders everything they need to implement social media throughout their campus and their communities Contains expert advice for creating a sustainable social engagement strategy Features screenshots and examples from schools and individuals who are using social media to the best effect This important resource can help savvy school leaders shift their leadership strategy from communicating to connecting *Flat-World Fiction* Liliana M.

Naydan,2021-12-15 *Flat World Fiction* analyzes representations of digital technology and the social and ethical concerns it creates in mainstream literary American fiction and fiction written about the United States in the first two decades of the twenty first century In this period authors such as Don DeLillo Jennifer Egan Dave Eggers Joshua Ferris Jonathan Safran Foer Mohsin Hamid Thomas Pynchon Kristen Roupenian Gary Shteyngart and Zadie Smith found themselves not only implicated in the developing digital world of flat screens but also threatened by it while simultaneously attempting to critique it As a result their texts explore how human relationships with digital devices and media transform human identity and human relationships with one another history divinity capitalism and nationality Liliana M Naydan walks us through these complex relationships revealing how authors show through their fiction that technology is political In the process these authors complement and expand on work by historians philosophers and social scientists creating accessible literary road maps to our digital future *The Crime World of Michael Connelly* David Geherin,2022-10-27 Since his first novel in 1992 Michael Connelly has become one of America s most popular and critically acclaimed crime writers He is best known as the author of a long running series featuring LAPD homicide detective Harry Bosch a compelling figure in contemporary crime fiction He also created several additional series featuring a criminal defense attorney Mickey Haller known as the Lincoln Lawyer an FBI profiler Terry McCaleb a newspaper reporter Jack McEvoy and an LAPD policewoman Renee Ballard who works the night shift When he began incorporating all his characters into the Bosch megaserie he expanded the notion of what a crime series can accomplish This work takes an in depth look at all of Connelly s work including the 34 novels that comprise the Bosch megaserie the film adaptations of his books the popular Bosch TV series and his standalone novels short stories and podcasts It includes chapters on his novelistic artistry and his portraits of Los Angeles and its police department

Unseasonable Sarah Dimick,2024-10-08 As climate change alters seasons around the globe literature registers and responds to shifting environmental time A writer and a fisher track the distribution of beach trash in Chennai chronicling disruptions in seasonal winds and currents along the Bay of Bengal An essayist in the northeastern United States observes that maple sap flows earlier now prompting him to reflect on gender and seasons of transition Poets affiliated with small island nations arrive in Paris for the United Nations climate summit revamping the occasional poem to attest to intensifying storm seasons across the Pacific In *Unseasonable* Sarah Dimick links these accounts of shifting seasons across the globe tracing how knowledge of climate change is constructed conveyed and amplified via literature She documents how the

unseasonable reverberates through environmentally privileged and environmentally precarious communities In chapters ranging from Henry David Thoreau s journals to Alexis Wright s depiction of Australia s catastrophic bushfires from classical Tamil poetry to repeat photography Dimick illustrates how seasonal rhythms determine what flourishes and what perishes She contends that climate injustice is an increasingly temporal issue unfolding not only along the axes of who and where but also in relation to when Amid misaligned and broken rhythms attending to the shared but disparate experience of the unseasonable can realign or sharpen solidarities within the climate crisis

The Oxford Handbook of Humanism

Anthony B. Pinn, 2021 As a system of thought that values human needs and experiences over supernatural concerns humanism has gained greater attention amid the rapidly shifting demographics of religious communities This outlook has taken on global dimensions with activists artists and thinkers forming a humanistic response not only to religion but to the pressing social and political issues of the 21st century The Oxford Handbook of Humanism aims to explore the subject by analyzing its history its philosophical development and its influence on culture It will also discuss humanism as a global phenomenon an approach that has often been neglected in more Western focused works
