Phonics Screening Check

What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is a key part of learning to read and write. It helps children to understand how words are made and how they are written. This helps them to learn to read and write more easily.

How to help your child learn phonics

There are many ways to help your child learn phonics. Some of the best ways are to read to them, talk to them about the sounds of words, and play phonics games.

When you read to your child, point to the words and talk about the sounds they make. You can also play phonics games, such as matching words to their sounds.

Phonics screening check

The phonics screening check is a test that all children in Year One must take. It is designed to check whether children have the basic phonics skills they need to learn to read and write.

What to expect

The phonics screening check is a short test that takes about 10 minutes to complete. It is designed to be a fun and easy way for children to show what they know about phonics.

Results

After the phonics screening check, you will receive a letter from the school telling you how your child has done. This letter will also tell you what your child needs to work on next.
