I met my younger self for coffee this morning.

We were both very nervous about the meeting process.

We ordered a caramel macchiato, I ordered an iced oat milk latte.

We told her how she can't wait to get out from under our parents' house and move out to her own house but for her house. (We told her she no longer lives in the under those strict religious rules and the longer have her parents or her strict beliefs of it.)

We asked if we are okay?
Told her most days yes, she was being a little bit more confident than we imagined but the joy of being our family hurts a lot some days.

We asked her if we called the guy from the concert?
Told her YES! And how the past makes 20 years with her. He's better than we ever could've imagined! I show her pictures of our beautiful life now and our two beautiful children.

We were feeling excited, nervous and a little sad about her future.

We were feeling grateful for all we've been through and for being here and that we're.

Hope we meet again soon.

I had coffee with my younger self.

She was right on time, I was 2 minutes early.

She ordered a sugar free red bull, I ordered a matcha with honey, cinnamon, and organic whole milk.

We asked if we just wanted our anxiety, hormonal acne, bloating, fatigue, and Hypothyroidism.

I told her we're fully healed, but now we're diagnosed with the same.

We asked if we ever moved out of our home town.

I told her we moved to a few big cities and currently live in LA in the suburbs.

I hope I get to have coffee with her again soon.
