EBOOK: Foundations for Operating Department Practice: Essential Theory for Practice Hannah Abbott, Helen Booth, 2014-08-16 This breakthrough new text is the first theory textbook published for ODP students studying at degree level and maps neatly onto the ODP degree curriculum Written by experts from the Profession the book covers the core theoretical and professional components of the ODP curriculum including chapters on Professionalism Law Ethics Reflective practice Decision making Psychosocial aspects of care Research and evidence based practice Each chapter includes case studies and pedagogy designed to help ODP students see the relevance of these issues to their everyday practice and enhance learning and study This book is key reading for all ODP students and qualified professionals This book identifies strongly the enhanced development of the operating department practice ODP profession It focuses well on the theory underpinning the need for the compassionate care of the patient Compassionate care is a fundamental requirement of ODPs now given the changes in the profession Many years ago the main role of the ODP was to give technical support to anaesthetists This has completely changed and the focus is now on ensuring safe and effective perioperative patient care using enhanced and improved knowledge and skills It is a fundamental requirement for ODPs to develop these advanced skills and knowledge in order to firmly establish the profession This book does not focus on clinical skills it focuses on the role of the ODP in every day work This involves elements such as interprofessional working research patient safety psychological aspects of patient care and legal frameworks Most ODP text books have not emphasised the importance of these topics whereas this book does The value of this book is firstly to emphasise the knowledge and understanding needed by ODPS to care for patients appropriately and secondly to emphasise the improvements that the profession has been undergoing over the past few years Based on the information within this book students practitioners theatre managers and even surgeons and anaesthetists will be able to better understand the modern role of the ODP Technical skills are obviously still important but even more important is the safety and compassionate care of patients in the operating environment This can only be achieved by a combination of knowledge and skills working in harmony with other professionals This book will provide a sound basis for the promotion of the ODP profession and the better understanding of all other professionals on the way that ODPs now work Paul Wicker Head of Perioperative Studies Edge Hill University Ormskirk UK **#Crowdsourcing**

Tweet Book01 Kiruba Shankar, Mitchell Levy, 2011-11-10 The idea of soliciting input whether from customers associates or the general public is hardly new Yet crowdsourcing the soliciting of collective wisdom is a relatively new term which has quickly become an important business concept The spike in the ability to crowdsource driven by web technologies has enabled the concept to assume center stage in business strategy A strong ability to tap into the collective intelligence of the public or a well defined segment of the public enables businesses to greatly expand the talent pool available at their disposal Typically crowdsourcing helps organizations complete tasks faster more efficiently and often simply better Kiruba Shankar

and Mitchell Levy are both firm believers in the concept of collaborative wisdom In their very diverse and singularly successful careers crowdsourcing has helped them accomplish many tasks successfully while having fun along the way Now they bring you CROWDSOURCING tweet Book01 in which they share with you smart ideas crowdsourced of course that teach you to tap into the wisdom of the crowd Kiruba and Mitchell can convince the most vociferous skeptic Here s a sample Doubt the value of crowdsourcing Encyclopedia Britannica took 200 years to write 80 000 articles Wikipedia 9 years 10 million articles Through the book their personal experiences and their ability to tap into the experiences of others comes clearly through For example I crowdsourced the creation of my logo and got 95 logo concepts for 300 My graphics agency just lost a customer to crowdsourcing And lest you start thinking of crowdsourcing as a silver bullet here s a reality check Crowdsourcing is a democratic process However just like in any democracy it needs leaders to hold the flag and lead CROWDSOURCING tweet Book01 is the book on leveraging the experience of the crowd brought to you by two experienced authors who are comfortable with walking their talk Replete with bite sized wisdom from start to finish you will surely find yourself flipping through its pages time and again as you tap into the collective wisdom of your crowd CROWDSOURCING tweet Book01 is part of the THiNKaha series whose 112 page books contain 140 well thought out quotes tweets ahas
