 rare artifacts namely illegal magic laced weapons to sneak into criminals homes after the police have carted them off for
 their latest infractions Once I ve helped myself to the contraband I sell it to the highest bidder While looting my latest victim
 I find a gorgeous sword I immediately regret my decision to steal it The weapon is alive It s lightning quick has an anger
 management problem and refuses to be left behind Days later I count my lucky stars when it takes off on its own In less than
 twenty four hours the police are at my door accusing me of murder While pleading my case the diabolical sword floats into
 my apartment covered in blood Now we re on the run with bounty hunters and government trained feline shifters hot on our
 trail Proving my innocence is going to be a hell of a lot harder with the sentient murder weapon by my side especially when I
