Existential Risks in Peace and Conflict Studies Noah B. Taylor, 2023-03-21 This book explores the topic of peace and the long term survival of the human species Drawing on Existential Risk Studies ERS the book lays out a theoretical framework for drawing new perspectives and approaches for looking toward the future and addressing existential risks related to the complexity and dynamics of conflict Looking at five research lines in Peace and Conflict Studies PCS 1 Great Powers Conflict 2 Peace Pandemic and Conflict 3

Climate Peace and Conflict 4 Emerging Technologies Peace and Conflict and 5 Totalitarianism the chapters discuss how these lines are defined and discussed how they are understood in ERS and what approaches would be beneficial to adapt and integrate into PCS By drawing on ERS and grounding the discussion in lines of research that will be important to the field of PCS this book suggests that long term perspectives are needed in the field especially in regard to existential risk and their implications of conflict

Epidemic Cinema Julia Echeverría, 2023-12-08 This book examines the recent trend in global cinema to feature infectious disease As the global crisis of the COVID 19 pandemic materialised the anxieties and discourses of world risk that had long been portrayed in popular media the book provides a novel definition of the epidemic film genre and offers a systematic look into the narrative and stylistic conventions that characterise it Epidemic Cinema traces the evolution of the genre from its early cinematic origins to establish the founding principles of a genre standing at the crossroads between science fiction and horror It draws on close textual analysis to show how the pandemic reified one of the central predicaments of epidemic narratives the constant tension existing between free floating phenomena and the impulse to control and resist such phenomena ultimately epitomised by the trope of the border Showing how infectious diseases offer a rich allegorical frame which cinema uses to articulate timely anxieties of growingly invisible and deterritorialised risks the author presents the prevalence of contagion in popular culture as a symptom of this growingly viral and virus ridden context both in its most literal and metaphorical sense This insightful study will interest students and scholars of film studies global cinema science fiction horror popular culture and genre theory
