The Problem with Being a Person Talia Pollock, 2025-06-10 Escape the race to happiness build a life of value and resist the pull of self help You've heard this story outwardly woman was living the dream Inwardly woman was drowning in despair It's what happened next that sets this tale apart Many of us go through life believing that something about us is not normal enough So we devote ourselves to the endless pursuit of self improvement That's what Talia Pollock decided to do In her quest to feel better Talia Pollock got seduced by self help trends that offered fleeting solace but failed to soothe the depths of her inner turmoil Conventional remedies like medication and therapy provided a semblance of relief but didn't ease the angst she felt inside It wasn't until she discovered Existentialist philosophy that she discovered is that what we're told is abnormal is actually entirely human and it's our attempts to cure ourselves of our humanity will eventually drive us mad Echoing the timeless wisdom of philosophers and the timely research of social scientists Pollock offers a modern take on finding the courage to create your own version of satisfaction Pollock's sincere retelling of her own experiences urges readers to question conventional notions of happiness embrace contentment as a lasting source of well being navigate the challenges of a comfortably uncomfortable life Whether you're grappling with existential questions seeking to break free from societal expectations or yearning for a deeper sense of fulfillment The Problem with Being a Person offers a powerful message for prioritizing self acceptance over self improvement *Monetize Your DMs Like a Pro: The No-Hype*

Conversational Sales Framework Ahmed Musa, 2025-05-24 Your DMs are a goldmine if you know how to dig Forget sleazy scripts fake urgency and hype filled pitches Monetize Your DMs Like a Pro The No Hype Conversational Sales Framework gives you the exact words moves and mindset to turn casual chats into consistent cash all while sounding like a human being not a hungry sales bot Inside you ll discover The psychology of frictionless sales without sounding desperate How to shift from friendly convo to paid client without being pushy Word for word DM flows that feel natural and convert like crazy What to say when someone ghosts stalls or says let me think about it How to use storytelling curiosity and positioning to lead not beg If you re tired of cold pitching and ready to turn connection into conversion this book is your shortcut Because in the new digital world real conversations make real money

Online Virality Valérie Schafer, Fred Pailler, 2024-08-19 The book *Online Virality* edited by Val rie Schafer and Fred Pailler C2DH University of Luxembourg aims to provide a comprehensive examination of online virality It explores the many ways we can think about this modern phenomenon and analyse the circulation reception and evolution of viral born digital content Virality and content sharing always intertwine material infrastructural visual and discursive elements This involves various platforms stakeholders intermediaries social groups and communities that are constantly re defining themselves Regulation curation and content moderation politics as well as affects and emotions fears humour empathy hatred are also at the core of online virality The publication offers an interdisciplinary overview on online virality by including different types of scientific inputs such as precise case studies various methodological approaches including close and distant reading visual studies discourse analysis etc as well as historical and socio technical analyses The book is organised around three main topics Expressions and Genres Mobilisations and Engagements Circulation and Infrastructures The first part explores the semiotics of virality the diverse and creative forms of expression specific genres the relation to other media and the affective side of virality such as using humour or provocation The second part focuses on the political dimension of memes and viral content and their use in the context of controversy or political and ideological opposition Finally the third part delves into the often understudied but essential side of virality by examining the role of platforms and their curation in short the infrastructural dimension of virality These three parts allow us to question such fundamental notions linked to virality as among others circulation reception economy of attention instrumentalisation and affect This volume brings together authors from various disciplines including semiotics history information and communication sciences computer science digital humanities media studies In addition the contributors approach the question via case studies that allow for a perspective that is not exclusively US and European centred Some chapters explore virality in Brazil Chile while the book also examines a wide variety of platforms YouTube Twitter Instagram TikTok video game platforms etc

Swarms, Viral Writing, and the Local Carl Whithaus, 2025-04-15 *Swarms Viral Writing and the Local* examines the social and rhetorical dynamics around emerging writing technologies Carl Whithaus argues that these dynamics work across networked publics as patterns of behavior and ways of interacting through and with multimodal

texts This rhetorical analysis of the production and reception of born digital rhetoric shows the ongoing and evolving impacts of online public discourse that can lead to bad restaurant reviews or the subversion of democracy It is a networked process that gains significance because of the interplay and tensions between the global and the local As these texts are created distributed received and then recreated and shared again in viral ways different messages resonate across media ecologies Whithaus documents how emerging social dynamics shape and are shaped by digital writing reading and distribution technologies
