Annual Safety Congress** National Safety Congress (U.S.), National Safety Council, 1925 *Stealing Jesus* Bruce Bawer, 1997 From the author of the widely acclaimed *A Place at the Table* comes this major work that exposes the great danger posed to Christianity today by fundamentalism *Rescuing the Bible from Fundamentalism* John Shelby Spong, 1992

"Fundamentalism" and the Word of God J. I. Packer, 1958-12-01 This modern classic by the author of *Knowing God* provides a comprehensive statement of the doctrine of Scripture from an evangelical perspective J I Packer explores the meaning of the word fundamentalism and offers a clear and well reasoned argument for the authority of the Bible and its proper role in the Christian life **Burning to Read** James Simpson, 2007-11-23 The evidence is everywhere fundamentalist reading can stir passions and provoke violence that changes the world Amid such present day conflagrations this illuminating book reminds us of the sources and profound consequences of Christian fundamentalism in the sixteenth century James Simpson focuses on a critical moment in early modern England specifically the cultural transformation that allowed common folk to read the Bible for the first time Widely understood and accepted as the grounding moment of liberalism this was actually Simpson tells us the source of fundamentalism and of different kinds of persecutory violence His argument overturns a widely held interpretation of sixteenth century Protestant reading and a crucial tenet of the liberal tradition After exploring the heroism and achievements of sixteenth century English Lutherans particularly William Tyndale *Burning to Read* turns to the bad news of the Lutheran Bible Simpson outlines the dark dynamic yet demeaning paradoxes of Lutheran reading its demands that readers hate the biblical text before they can love it that they be constantly on the lookout for unreadable signs of their own salvation that evangelical readers be prepared to repudiate friends and all tradition on the basis of their personal reading of Scripture Such reading practice provoked violence not only against Lutheranism's stated enemies as Simpson demonstrates it also prompted psychological violence and permanent schism within its own adherents The last wave of fundamentalist reading in the West provoked 150 years of violent upheaval as we approach a second wave this powerful book alerts us to our peril *Fundamentalism* Rod L. Evans, Irwin M. Berent, 1988 Fundamentalism is a world shaking force It has given joy peace of mind and a sense of purpose to millions It has become a formidable political and social movement Yet fundamentalism has apparently disappointed many of its former followers who are now fearful and confused This book explains exactly what has gone wrong with fundamentalism and why It contains no mockery no disrespect and no malice It is

a book written with love for those who genuinely want to understand
