itself an insidious and highly contagious virus is running amok through the student population striking at the heart of their abilities Students are losing control of their powers with lethal consequences Now in addition to evading the machinations of government agents Jim must solve the mystery behind the virus and how to stop it before every super everywhere becomes fatally infected _____ INFILTRATION Kid Sensation 3 Having a surfeit of super powers is great for battling bad guys and saving the world as Jim aka Kid Sensation is finding out but less useful in dealing with day to day situations like bonding with his superhero father adjusting to a team environment and coping with what might be perceived as a growing rivalry between himself and another teen super On top of all that despite having a serious girlfriend he finds himself inexplicably drawn to a new female super he s just met At the same time some villain has just gotten himself a new toy an unknown weapon of tremendous power that is able to strike without warning causing unprecedented destruction and loss of life Perhaps more terrifying the wielders of this weapon make no demands and issue no threats they simply attack Even the Alpha League the world s greatest superhero team is not immune suffering an assault on their very own doorsteps It quickly becomes clear that the only way to stop this new evil is from within With his unique abilities Jim is the only person capable of infiltrating the enemy s ranks It s up to him to figure out who is behind these attacks what they want and find a way to stop them and their secret weapon before they bring the entire world to its knees teen young adult science fiction fantasy coming of age
