Philosophy and Jewish Thought Beniamino Fortis,Ellen Rinner,Lars Tittmar,2024-11-22 The relationship between philosophy and Jewish thought has often been a matter of lively discussion But despite its long tradition and the variety of positions that have been taken in it the debate is far from being closed and keeps meeting new challenges So far research on this topic has mostly been based on historically diachronic references analogies or contacts among philosophers and Jewish thinkers The contributors to this volume however propose another way to advance the debate Rather than adopting a historical approach they consider the intersections of philosophy

and Jewish thought from a theoretical perspective

Judah Halevi's Fideistic Scepticism in the Kuzari Ehud Krinis, 2020-07-06

As scepticism has rarely been studied in the context of the Arabic culture and its Judeo Arabic sub culture it is small wonder that sceptical motifs of Judah Halevi's classic theological The Kuzari written ca 1140 received very little scholarly attention so far. Thus the present study seeks to shed light on Halevi's wrestling with the dogmatic rationalistic trends of his period from an angle of this much less studied perspective. As a by product this study is a contribution to the mainly uncultivated field of traces of scepticism in the Arabic culture.
