The Mysticism Of Paul The Apostle The Albert Schweitzer Library:

The Mysticism of Paul the Apostle Albert Schweitzer, 1931 *Jesus' Words Only Or Was Paul the Apostle Jesus*
Condemns in Revelation 2 Douglas J. Del Tondo, 2006-02 *The Principle of the New Era in Galatians* Ho-Hyung
Cho, 2023-05-11 This book is placed within broader scholarship's trajectory by explaining that in Gal 6:2 refers to principle
unwritten law rather than written law such as the Mosaic law and another law. Because diachronically and synchronically had
various meanings in history the context in which it is found is significant. Given the context of Galatians while Paul negatively
depicts as the written Mosaic law throughout the letter he positively uses it as a device for striking the ears of the Galatians
in the verse. Remarkably 6:2 is in 5:13-6:10 called paraenesis namely exhortations that they should perform with the Christian
principle of life made by the Spirit. Being led by the Spirit is the sine qua non for believers in Christ. All indications
surrounding 6:2 show that the phrase in 6:2 means the principle created by Christ that is keeping in step with the Spirit. This
principle results from the new era inaugurated by the crucified and risen Christ. In 6:2 Paul exhorts the people of the new era
to conform to the new era's principle created by Christ. **History of New Testament Research, Vol. 2** William
Baird, 2002-11-01 Stressing the historical and theological significance of pivotal figures and movements William Baird guides
the reader through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism
through the watershed of the Tübingen school. Familiar figures appear in a new light and important previously forgotten
stages of the journey emerge. Baird gives attention to the biographical and cultural setting of persons and approaches
affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as
research. *A Theology of Paul the Apostle, Part One* G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all
Christian theology. While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a
thorough examination of Paul's letters within their historical matrix. The work *Theology of Paul the Apostle* is presented in
two parts. Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel of God in
the establishment of the eschatological community in Christ. Paul's Judaism informs his apocalyptic description as he
expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco-
Roman world. Part Two Cross and Atonement examines a perennial storm center within Paul's theology from both an
exegetical and developmentally historical perspective. Paul was embraced by the gospel of God in Christ the resurrection
being the turning point of the ages. While Paul's theology and the understandings of Paul must be established point by point
Paul's theology has continuing relevance within the very different matrix of a postmodern world. *Out of My Life and*
Thought Albert Schweitzer, 1998 Presents an English translation of the memoirs of Albert Schweitzer winner of the 1952
Nobel Peace Prize in which he discusses aspects of his life and career and pays tribute to the people who helped him along
the way. **The Spirit World in the Letters of Paul the Apostle** Guy Williams, 2009-09-16 Guy Williams beleuchtet die

Rolle der Geistwesen in den echten paulinischen Briefen Entgegen der weit verbreiteten Ansicht Geister und spirituelle Wesen seien für Paulus unbedeutend und trivial gewesen vertritt Williams die These dass diese inhärente Merkmale der Briefe darstellten Die Berücksichtigung ihres historischen und kulturellen Hintergrundes zeigt dass die Vorstellung von den Einwohnern der paulinischen Geistwelt den Engeln Dämonen Kräften und Satan denen des allgemeinen Gedankenguts entspricht Schließlich bezieht Williams die Ergebnisse seiner Untersuchung auf drei Bereiche Paulus Christologie seine Soteriologie und seine Vorstellung von Gemeinschaft Sein Ansatz erlaubt einen frischen Blick auf Ort und Bedeutung von spirituellen Wesen bei Paulus nicht im Sinne einer neuen Doktrin aber als allgemeines und kulturelles Idiom der paulinischen Texte

Paul: Christianity's Premier Apostolic Mystic Harvey D. Egan, 2021-03-26 Harvey Egan argues that the apostle Paul was Christianity's earliest mystic and the world's greatest missionary one whom scholars estimate walked over fifteen hundred miles not to mention his dangerous sea journeys to plant the flag of Lord Jesus in Roman colonies where Caesar was supposedly lord This book stresses Paul's mystical consciousness and mystical life the explicit and direct consciousness of the immediate and direct presence of the Trinity and of Jesus Messiah It underscores mystical experience not only as discrete individual experiences but also as experience in the sense that an experienced musician instinctively knows and loves music From the light issuing from the risen Jesus Messiah whom he encountered on the Damascus road Paul mystically read the Jewish Scriptures and comprehended that God consummated Israel's history through the sending of Jesus Messiah and the Holy Spirit Paul's letters are paradigmatic of the earliest use of the word mystical that is how the Jewish Scriptures disclose Jesus Messiah Thus Paul the zealous Jewish Pharisee grew to understand Christianity as Judaism perfected **The National Union Catalogs, 1963-**, 1964 [A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942](#), 1942

Covenant and Salvation Michael Scott Horton,2007-01-01 Following Covenant and Eschatology and Lord and Servant this concluding volume of a four part series examines Christian salvation from the perspective of covenant theology In Covenant and Salvation Michael Horton surveys law and gospel union with Christ and justification and theosis conversing with both classical and contemporary viewpoints Pseudepigraphy and Ethical Argument in the Pastoral Epistles Lewis R. Donelson,2015-09-29 By employing analyses of the literary structure of ancient pseudepigraphical letters and of the logical structure of ethical argument this study discovers in the Pastoral Epistles a consistent theological ethic that has cosmological and cultic grounding First an investigation of Greco Roman religious pseudepigraphical letters identifies those literary patterns that determine the form of argumentation in the Pastoral Epistles Second an investigation of the structure of ethical argument produces categories for organizing and analyzing the apparently disorganized arguments in these letters Finally this study concludes that the author of the Pastoral Epistles builds a coherent theological ethic by falsifying Pauline history and by grounding his ethical warrants in church officers **Bach & God** Michael Marissen,2016 Bach God explores the religious character of the music of Johann Sebastian Bach Noted musicologist Michael Marissen offers wide ranging insights from detailed investigations of both words and music Bach is inexhaustible and Bach God suggests that through close contextual study there is always more to discover and learn This Present Triumph Richard M. Cozart,2013-09-17 The author of Ephesians shows an interest in the Isaianic new exodus INE in facilitating his focus on the present triumph of the people of God The recipients required both insight and confidence especially in regard to the certainty of their salvation its mysterious nature Jewish Gentile relations and their former manner of life In the face of these challenges the author maintains that victory is secured through God s choice of them and the working of his redemptive program which inevitably leads to triumphal blessings As with the exodus era Hebrews the readers participate in paschal redemption now embodied in Christ along with his resurrection and ascension as the triumphant new exodus warrior over principalities and powers In addition and as predicted by OT writers Gentile proselytes share the blessings of the new exodus but now on equal footing and access as Jewish Christians creating a new eschatological temple Triumphant Christ distributes gifts facilitates Spirit endowed living and enables Christian warfare that mirrors Yahweh and his servant The recipients of the epistle appear to be called to view INE triumph as above below now and not yet while not discarding current applications on earth The Faith of the New Testament Roy A. Harrisville III,2023-03-14 The importance of faith in Christianity cannot be denied nor the arguments surrounding it The crisis of faith that now grips the Western church necessitates a fresh look at its essential teachings This study traces the trajectory of St Paul s concept of faith in the rest of the New Testament in order to answer the question of how far and in what manner the other books of the New Testament agree or disagree with the Apostle of the Gentiles Was St Paul an outlier or an influencer Common assumptions about faith and the language of faith are challenged in

this study Rather than giving simple voice to conventional presuppositions this book wrestles with the origin and character of Christian faith and provides a provocative view that should spark renewed discussion about the heart of Christianity

Where to Live Andrew Hollis Wakefield, 2003-01-01 This book examines the function of Paul's citations of scripture in his argument against the law in Galatians 3:1-14 Drawing on selected insights of intertextuality while helping to clarify its assumptions and implications as a method of biblical study Wakefield examines the anonymous intertexts and ungrammaticalities that arise from the scriptural citations in Galatians 3:1-14 The resulting insights lead to the conclusion that Paul rejects the law not only for salvation but also as a means for Christian living not because of any inherent defect but because its sphere of operation is the old age not the new age initiated by Christ Wakefield accordingly proposes a revised reading of Galatians 3:10 Because no one is justified in the law before God it is clear that The righteous will live by faith Paperback edition is available from the Society of Biblical Literature www.sbl-site.org
