

A movie poster for 'Alien Invasion'. The top half features a large, dark, metallic alien head with a ribbed texture, its mouth open as if screaming. Below it, a man with long brown hair is shown from the chest up, his face contorted in a scream with his hands covering his ears. The background is a misty, forested landscape. The text 'WE DO NOT COME IN PEACE' is in the top right, and 'ALIEN INVASION' is at the bottom in large green letters.

All the Wonder that Would Be Stephen Webb, 2017-05-03 It has been argued that science fiction SF gives a kind of weather forecast not the telling of a fortune but rather the rough feeling of what the future might be like The intention in this book is to consider some of these bygone forecasts made by SF and to use this as a prism through which to view current developments in science and technology In each of the ten main chapters dealing in turn with antigravity space travel aliens time travel the nature of reality invisibility robots means of transportation augmentation of the human body and last but not least mad scientists common assumptions once made by the SF community about how the future would turn out are compared with our modern understanding of various scientific phenomena and in some cases with the industrial scaling of computational and technological breakthroughs A further intention is to explain how the predictions and expectations of SF were rooted in the scientific orthodoxy of their day and use this to explore how our scientific understanding of various topics has developed over time as well as to demonstrate how the ideas popularized in SF subsequently influenced working scientists Since gaining a BSc in physics from the University of Bristol and a PhD in theoretical physics from the University of Manchester Stephen Webb has worked in a variety of universities in the UK He is a regular contributor to the Yearbook of Astronomy series and has published an undergraduate textbook on distance determination in astronomy and cosmology as well as several popular science books

THE END: Omega Aaron Ryan, 2025-07-25 Sometimes prayer only goes so far Rising again requires Something Greater Sage Maddox has been turned Determined to penetrate Nero's inner circle on an assassination mission he has fallen prey to the sadistic Emperor's brainwashing and time is running out Meanwhile Sage's father Colonel Thomas

Drexler and Darius the former High Vassal to Emperor Nero prepare to unmask the totalitarian despot in a public display at the Gloriosa Revelatio The Fifth Column man is in place and all seems ready However the slightest hiccup in plans or in fidelity could spell certain doom for the Defiance Prime Minister Angus McFayden and the UK as well as all the various resistance cells scattered throughout the world in opposition to the wicked ruler The Emperor convinced that he is the antichrist of Revelation along with his deadly Guardians and imposing AirGuard ships is ready to commence a final eradication of Christians worldwide The Gloriosa Revelatio will be televised everywhere If he has his way it could be the beginning of the end In this gripping climax hope for redemption and victory is only a hair's breadth Will Drexler stay the course even in the presence of his converted son nearby As for the former High Vassal Maximillian will he fall once more under the deadly spell of Nero and lose focus of the mission Is Sage even redeemable And what about Charlie and Asher Indeed this time prayer only goes so far Rising again will require Something Greater Bestselling author Aaron Ryan of the Dissonance alien invasion saga presents the final installment in a captivating new dystopian Christian end times fiction series The End Omega brings home a hammer punch of gut wrenching emotion and redemption as Alpha and Omicron lead up to a final reckoning of Biblical proportions
