Neuman, Donna C. Celano, 2015-04-25 This is a compelling eye opening portrait of two communities in Philadelphia with drastically different economic resources Over the course of their 10 year investigation the authors of this important new work came to understand that this disparity between affluence and poverty has created a knowledge gap far more important than mere achievement scores with serious implications for students economic prosperity and social mobility At the heart of this knowledge gap is the limited ability of students from poor communities to develop information capital This moving book takes you into the communities in question to meet the students and their families and by doing so provides powerful insights into the role that literacy can play in giving low income students a fighting chance Important reading for a wide audience of educators policymakers school reformers and community activists Giving Our Children a Fighting Chance Documents how inequalities begin early and are reinforced by geographic concentration Compares community libraries to see how print is used in each neighborhood and how children develop as young readers Looks at patterns that create radical differences in experiences and attitudes toward learning prior to entering school Explores the function of technology as a tool that exacerbates the divide between affluent students and those with limited access to information Provides a comprehensive analysis of community literacy documenting the transformation of media habits from books to computers Concludes with a look inside schools to answer questions about what schools can do to overcome this complex unequal playing field Susan B Neuman is a professor of Educational Studies at the University of Michigan and has served as the U S Assistant Secretary for Elementary and Secondary Education Her books include Changing the Odds for Children at Risk Donna C Celano is assistant professor of Communication at La Salle University in Philadelphia Giving Our Children a Fighting Chance depicts a stark reality the enormous and growing divide in literacy and reading skill development between children growing up in poverty and children from the middle and upper classes and the social and economic ramifications This book should be required reading not just for those in the education and policy fields but for anyone who cares about the lives of children and the health of our society Kyle Zimmer President and CEO First Book By walking the streets riding the buses and taking the subways Celano and Neuman give us a groundbreaking and sobering look at print and education technology resources in two neighborhoods one wealthy and one poor The result is a must read eye opener for anyone who cares about equal opportunity The stuff of learning is essential but insufficient Only with close teacher parent and student to student coaching can better print and technology resources make a difference Eugenia Kemble Executive Director Albert Shanker Institute The authors of this text make you CARE about these communities and children

They provide insights about how we must focus on literacy in order to make a real difference in the lives of students This is one of the most comprehensive analyses to date of community literacy documenting the transformation of media habits from books to computers Linda B Gambrell Distinguished Professor of Education Clemson University

The Top Books of the Year Picture Toddlers Complete Workbook The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Picture Toddlers Complete Workbook : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
