Overdue Stephanie Perkins, 2025-10-09 Stephanie Perkins is the reason we write romance *Overdue* is the book her readers have been waiting for Christina Lauren New York Times bestselling author of *The Paradise Problem* Ingrid Dahl is a cheerful twenty nine year old librarian living in the cosy mountain town of Ridgetop She and her boyfriend since college Cory have never discussed marriage they're perfectly happy with the way things are But when Ingrid's sister announces her engagement to a woman she's only been dating for two years Ingrid and Cory suddenly feel pressured to start thinking about the inevitable marriage and kids The thing is neither of them has ever been with anyone else Shouldn't they sow their oats before settling down They make the unorthodox decision to separate for a month to date other people assuming that at the end of it they'll reunite and start planning their nuptials And Ingrid has the perfect man in mind for this relationship sabbatical Macon Nowakowski her cantankerous and completely adorable coworker for

whom she's had a crush for years But of course the best laid plans often go awry and when Ingrid and Cory meet at the end of the month to resume next steps in their relationship it's clear neither of them is ready to get back together Overdue is a beautifully human love story my favorite Stephanie Perkins book yet Rainbow Rowell No 1 New York Times bestselling author of *Slow Dance* *Inside Book Publishing* Angus Phillips, Giles Clark, 2025-02-28 Now fully revised and updated for its seventh edition *Inside Book Publishing* is the classic introduction to the book publishing industry The book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing and sales Angus Phillips and Giles Clark offer authoritative and up to date coverage of all sectors of the industry from commercial fiction to educational publishing and academic journals They reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth in audio The topics explored include AI social media in marketing sustainable book production open access for research and diversity equity and inclusion International case studies from industry experts give perspectives on for example comic books children's picture books women in Indian publishing and the Korean literary wave As a manual for those in the profession and a guide for the publishers of the future this book remains a seminal work for anyone with an interest in the industry It will also be of interest to authors seeking an insider's view of this exciting industry The book is supported by online resources including a glossary a further reading list and links to a range of online resources available at www.routledge.com
