I, Circe | The Brilliant Idea of Theology - Theologia Dialogica Eureka Circe, 2025-10-06 Best of Circe Talents Wounds Transformations From Homer's island of Aiaia to the ethics of the 21st century this Best of volume gathers the most resonant essays from the three volume I Circe project Drawing theology into living dialogue with philosophy sociology social psychology psychology history and contemporary artificial intelligence it proposes an ethics that does not end with prohibition but begins with transformation At the center stands Circe goddess heroine sorceress and wounded healer As female archetype Great Mother and Sophia she becomes a guide for spiritual maturation in solitude for reconciliation with evil and for the integration of light and shadow Love is treated as the forge of the inner cosmos hospitality as a religious ethic growth as a disciplined framework that honors human limits The selection spans foundational principles and public practice Readers will encounter re readings of the commandments as more than ten guiding principles reflections on *ordinatio fructifera* the dumbbell principle of theology *gratia evanescens* macro metanoia and a mercy index and concrete fields of application from care work and gender justice to policy design institutional culture ecological conversion a learning church and dialogical theology Each essay links micro personal identity and existential questions meso social dynamics and community and macro societal structures and institutions showing how ideals are forged both in biography and in conflict Between talent and vulnerability power and compassion seduction and responsibility this distilled companion offers a clear map of transformation for scholars practitioners and curious readers who seek viable narratives and practical compasses for a pluralistic society What changes when AI reads theology through Circe These pages offer a timely careful well reasoned and humane answer *Indian Popular Fiction* Gitanjali Chawla, Sangeeta Mittal, 2021-10-14 This anthology explores and validates the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous commercial success It uncovers popular in its socio political and cultural contexts Furthermore it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic reader driven genres is taken up here along with the millennial's fetish for romance humanized mythical retellings and the evergreen whodunnits As its natural soulmates the anthology delves into the interstices of Indian Popular with desi local traditions folk lore community consciousness and nation building Please note This title is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Dalits and Dalit Lives in 21st Century India: Towards a New Politics** Tamanna Priya, Amrit Mishra, 2025-01-07 This comprehensive body of work illuminates the new ways to remember caste and comprehend the enduring anguish it has imposed upon individuals across generations thereby paving the way for a

more informed understanding of its profound impact on Dalit lives throughout the annals of time This work not only adds depth to the existing discourse but also serves as a catalyst for broader understanding and appreciation of the complexities inherent in Dalit experiences and their representation or mis representation In doing so the volume challenges the traditional social order s ability to address caste based discrimination effectively and also makes an attempt to find alternative ways to understand the conundrum of caste It delves into the necessity of alternative discourse particularly the significance of Dalit discourse and hence the imperative need for diverse and inclusive discourses The volume represents the individual voices of the editors and contributors who are eminent academics and provides a more holistic approach to the examination of the socio economic cultural and political landscape of the Dalit community in contemporary India Their contribution enriches the current body of literature on Dalit Studies with a specific focus on the evolving dynamics within politics academia popular culture digital culture political economy ideological perspectives and representation or mis representation among others The chapters also demonstrate the profound impact of various modern influences on the lives of the younger generation of Dalits In doing so it sheds light on how access to information technology the pervasive use of social media digital media the influential role of music and cinema in cultural resistance and the discourse of protest politics collectively shape the experiences and perspectives of the young Dalit community This literary work presents an invaluable opportunity for scholars researchers and students and a methodological aid for classroom adoption for discerning readers to immerse themselves in an exploration of a significant community in India and its multifaceted presence within contemporary literature and culture

Bad Girls and Transgressive Women in Popular Television, Fiction, and Film Julie Chappell, Mallory

Young, 2017-07-03 This collection of essays focuses on the representations of a variety of bad girls women who challenge refuse or transgress the patriarchal limits intended to circumscribe them in television popular fiction and mainstream film from the mid twentieth century to the present Perhaps not surprisingly the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women From the beginning for good or ill women have been depicted as insubordinate Today s popular manifestations include such widely known figures as Lisbeth Salander the girl with the dragon tattoo The Walking Dead s Michonne and the queen bees of teen television series While the existence and prominence of transgressive women has continued uninterrupted however attitudes towards them have varied considerably It is those attitudes that are explored in this collection At the same time these essays place feminist postfeminist analysis in a larger context entering into ongoing debates about power equality sexuality and gender

Myth in the Modern Novel Liisa

Steinby, 2023-03-20 *Myth in the Modern Novel* Imagining the Absolute posits a twofold thesis First although Modernity is regarded as an era dominated by science and rational thought it has in fact not relinquished the hold of myth a more

primitive form of thought which is difficult to reconcile with modern rationality Second some of the most important statements as to the reconcilability of myth and Modernity are found in the work of certain prominent novelists This book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty first representing German French American Czech and Swedish literature The analyses of individual novels reveal a variety of intriguing views of myth in Modernity and offer an insight into the modernizing transformations myth has undergone when applied in the modern novel The study shows the presence of the subconscious the mythic layer in modern western culture and how this has been dealt with in novelistic literature

Welsh Mythology and Folklore in Popular Culture Audrey L. Becker, Kristin Noone, 2011-09-07 Examining how we interpret Welshness today this volume brings together fourteen essays covering a full range of representations of Welsh mythology folklore and ritual in popular culture Topics covered include the twentieth century fantasy fiction of Evangeline Walton the Welsh presence in the films of Walt Disney Welshness in folk music video games and postmodern literature Together these interdisciplinary essays explore the ways that Welsh motifs have proliferated in this age of cultural cross pollination spreading worldwide the myths of one small British nation

New World Myth Marie Vautier, 1998 In this comparative study of six Canadian novels Marie Vautier examines reworkings of myth in the postcolonial context While myths are frequently used in literature as transhistorical master narratives she argues that these novels destabilize the traditional function of myth in their self conscious reexamination of historical events from a postcolonial perspective Through detailed readings of Fran ois Barcelo s *La Tribu* George Bowering s *Burning Water* Jacques Godbout s *Les T tes Papineau* Joy Kogawa s *Obasan* Jovette Marchessault s *Comme une enfant de la terre* and Rudy Wiebe s *The Scorched Wood People* Vautier situates New World myth within the broader contexts of political history and of classical biblical and historical myths

Minor Mythologies as Popular Literature Richard Pine, 2018-10-01 This is the first single author study of the genres and roots of popular literature in its relation to film and television exploring the effects of academic snobbery on the teaching of popular literature Designed for classroom use by students of literature and film and their teachers it offers case studies in quest literature detective fiction the status of the outlaw and outsider and the interdependence of self other and the uncanny It challenges perceived notions of and prejudices against popular literature and affirms its connection with the deepest human experiences

Making Sense of Popular Culture Eduardo de Gregorio-Godeo, Ángel Mateos-Aparicio Martin-Albo, 2017-05-11 The study of popular culture has come of age and is now an area of central concern for the well established domain of cultural studies In a context where research in popular culture has become closely intertwined with current debates within cultural studies this volume provides a selection of recent insights into the study of the popular from cultural studies perspectives Dealing with issues concerning representation cultural production and consumption or identity construction this anthology includes chapters analysing a range of genres from film television fiction drama and print media to painting in various contexts through a number of cultural studies oriented

theoretical and methodological orientations The contributions here specifically focus on a wide variety of issues ranging from the ideological construction of identities in print media to the narratives of the postmodern condition in film and fiction through investigations into youth the dialogue between the canon and the popular in Shakespeare and the so called topographies of the popular in spatial and visual representation In exploring the interface between cultural studies and popular culture through a number of significant case studies this volume will be of interest not only within the fields of cultural studies but also within media and communication studies film studies and gender studies among others
