The Perfect Neighbor (A Jessie Hunt Psychological Suspense Thriller—Book Nine) Blake Pierce, 2020-10-07 A masterpiece of thriller and mystery Blake Pierce did a magnificent job developing characters with a psychological side so well described that we feel inside their minds follow their fears and cheer for their success Full of twists this book will keep you awake until the turn of the last page Books and Movie Reviews Roberto Mattos re Once Gone THE PERFECT NEIGHBOR is book 9 in a new psychological suspense series by bestselling author Blake Pierce which begins with *The Perfect Wife* a 1 bestseller and free download with nearly 500 five star reviews In an exclusive and wealthy neighborhood in Manhattan Beach a new neighbor moves into a luxury home only to be found dead soon thereafter The case brings Jessie into another wealthy beach town evoking bad memories of her marriage and forcing her to confront her own demons while trying to unmask the lies of this seemingly perfect town Was the murder connected to an exclusive party for the elite Or is there an even more nefarious motive at stake Making matters worse Jessie's husband is now out of prison and a potential threat to her once more A fast paced psychological suspense

thriller with unforgettable characters and heart pounding suspense THE PERFECT NEIGHBOR is book 9 in a riveting new series that will leave you turning pages late into the night Books 10 24 are also available [The Perfect Deceit \(A Jessie Hunt Psychological Suspense Thriller—Book Fourteen\)](#) Blake Pierce,2021-06-01 A masterpiece of thriller and mystery Blake Pierce did a magnificent job developing characters with a psychological side so well described that we feel inside their minds follow their fears and cheer for their success Full of twists this book will keep you awake until the turn of the last page Books and Movie Reviews Roberto Mattos re Once Gone THE PERFECT DECEIT is book 14 in a new psychological suspense series by bestselling author Blake Pierce which begins with The Perfect Wife a 1 bestseller and free download with over 600 five star reviews When a string of newly married couples are found murdered in high end suburbs Jessie is called in to find the connection between them Her investigation brings her into the world of exclusive weddings and a sprawling list of potential suspects Only one thing is certain it is a life and death race before the killer strikes again A fast paced psychological suspense thriller with unforgettable characters and heart pounding suspense THE JESSIE HUNT series is a riveting new series that will leave you turning pages late into the night Books 15 24 are also available [Suspense](#) Peter Vorderer,Hans Jurgen Wulff,Mike Friedrichsen,2013-12-16 This volume begins with the general assumption that suspense is a major criterion for both an audience s selection and evaluation of entertaining media offerings This assumption is supported not only by the popularity of suspenseful narratives but also by the reasons users give for their actual choice of media contents Despite this there is no satisfying theory to describe and explain what suspense actually is how exactly it is caused by films or books and what kind of effect it has on audiences This book s main objective is to provide that theory by bringing together scholars from different disciplines who are working on the issue The editors goal is to reflect the state of the art as much as it is to highlight and encourage further developments in this area There are two ways of approaching the problem of describing and explaining suspense an analysis of suspenseful texts or the reception process Researchers who follow the more text oriented approach identify the uncertainty of the narrative outcome the threat or danger for the protagonist the play with time delay or other factors as important and necessary for the production of suspense The more reception oriented scholar focuses on the cognitive activities of audiences readers expectations the curiosity of onlookers their emotions and their relationships with the protagonists A correspondence between the two seems to be quite difficult though necessary to determine Both perspectives are important in order to describe and explain suspense Thus the editors utilize the thesis that suspense is an activity of the audience reader onlooker etc that is related to specific features and characteristics of the text books films etc Their question is What kind of relation The answer comes from finding out how why and which elements of the text cause effects that are experienced as suspense Scholars from semiotics literary criticism cultural studies and film theory assess the problem from a text oriented point of view dealing primarily with the how and which Other scholars present the psychological perspective by focusing on the cognitive and emotional processes that underlie viewers experience

of suspense that is the reception theory tries to answer the question of why suspenseful texts may be experienced as they are

Priming Translation Douglas Robinson, 2022-09-15 This innovative volume builds on Michael S Gazzaniga's Interpreter Theory toward radically expanding the theoretical and methodological scope of translational priming research Gazzaniga's Interpreter Theory based on empirical studies carried out with split brain patients argues for the Left Brain Interpreter LBI a module in the brain's left hemisphere that seeks to make sense of their world based on available evidence and where no evidence is available primed by past memories confabulates coherence The volume unpacks this idea in translation research to test whether translators are primed to confabulate by the LBI in their own work Robinson investigates existing empirical research to test hypotheses on the translational links between the LBI and cognitive priming the Right Brain Interpreter and affective priming and the Collective Full Brain Interpreter and social priming Taken together the book seeks to open translational priming studies up to the full range of cognitive affective and social primes and to prime cognitive translation researchers to implement this broader dynamic in future research This book will be of interest to scholars in translation and interpreting studies especially those working in cognitive translation and interpreting studies

Psychology of Entertainment Jennings Bryant, Peter Vorderer, 2013-10-31 As entertainment becomes a trillion dollar a year industry worldwide as our modern era increasingly lives up to its label of the entertainment age and as economists begin to recognize that entertainment has become the driving force of the new world economy it is safe to say that scholars are beginning to take entertainment seriously The scholarly spin on entertainment has been manifested in traditional ways as well as innovative ones Representing the current state of theory and research Psychology of Entertainment promises to be the most comprehensive and up to date volume on entertainment It serves to define the new area of study and provides a

theoretical spin for future work in the area Divided into three basic parts this book addresses the fundamental mechanisms and processes involved in orienting to and selecting entertainment fare as well as receiving and processing it explores the mechanisms and processes by which we are entertained by the media messages we select and receive and provides an opportunity for the application of well established as well as emerging psychological and psychobiological theories to be applied to the study of entertainment in ways that seldom have been utilized previously Psychology of Entertainment will appeal to scholars researchers and graduate students in media studies and mass communication psychology marketing and other areas contributing to the entertainment studies area Entertainment Media and Communication Nicholas David Bowman, 2024-10-21 Although not considered a formal area of study scholarship on the uses content and effects of entertaining media has been central to communication studies and related fields for more than a century The serious study of entertainment seems paradoxical as we presume entertainment to be the lighter side of our daily lives Yet as revealed in this volume entertainment media serve as cultural artifacts that shape our understandings of various peoples and publics in ways that invite deeper immersive and increasingly interactive engagement On this backdrop Entertainment Media and Communication serves as a reference guide for canonical and foundational research into media entertainment and a collection of emerging and updated theories and models core to the study of media entertainment in the 21st century Across more than forty chapters and with a diverse and inclusive list of authors this volume provides a broad yet nuanced view into entertainment media and communication scholarship The contributors explore its foundations define and extend key concepts and theories through myriad lenses discuss unique considerations of digital media and divine future paths for scholarly inquiry
