The Gumshoe, the Witch, and the Virtual Corpse (Noir Dystopian Hard Science Fiction Mystery with a Wisecracking Gay Detective and his Wiccan Partner) Keith Hartman, 2024-09-26 In a near future America on the verge of civil war a gay detective investigates ritual killings conspiracies and what might be black magic In the summer of 2045 Atlanta is a city on the verge of panic A killer is stalking her people leaving behind eerily beautiful crime scenes painted with occult symbols Is he an insane artist carving his work out of flesh and blood A satanic sorcerer hoping to bring about the end of days Or a political operative trying to terrify the electorate into voting for his party A handful of people have the pieces to the puzzle but they are scattered through the city s subcultures A wisecracking gay detective hunting for his kidnapped partner A black cop trying to use high tech forensics to solve crimes that seem to be right out of the Middle Ages A Wiccan journalist who employs search engines and scrying spells with equal skill A televangelist with an eye on the White House and the Christian rock star who wants to take him down A transgender Cherokee shaman trying to right a wrong from the 1800s And Benji the fourteen year old boy at the center of it all Who thinks that his biggest problem is what will happen when his strict Baptist parents find out that his new girlfriend is a witch Together they might be able to stop what s coming If they can stay alive long enough to find each other Winner of two Spectrum Awards for LGBT themed science fiction A double finalist for the Lambda Literary Awards in the Mystery and Speculative Fiction categories There s a great SF premise here the writing is tight the drama tense Locus Hartman s character s are smart His world building is broad convincing and exciting his choice of detail is exquisite Compelling and engrossing this book grabbed me and didn t let me go until long after

the end Nina Kiriki Hoffman winner of the Nebula and Bram Stoker Awards Like his hero loved his plot and envied his style Mike Resnick five time winner of the Hugo Award Speculative Architectures after Minoritarian Futurisms Joel P.W. Letkemann, 2025-12-02 Speculative Architectures after Minoritarian Futurisms is a work of architectural theory which understands architecture as a practice of speculation analogous to science fiction While it might seem immediately obvious especially given the discipline's legacy of fantastical invention and commitment to the future this book argues that this hypothetical conjunction offers a highly sophisticated critical perspective on the discipline arguing that the only way to deal with the complex challenges of the present is through processes of speculation and ethical commitment to imagining futures evinced in minoritarian futurisms This book reads architecture from the perspective of the recent florescence of futurisms from Afro futurism to xeno feminism with an attention to how they produce a different image of architecture In understanding architecture as speculative practice the book also suggests understanding the architect by analogy to the author of science fiction Learning from queer and feminist perspectives this method of science fictioning refuses to take the terms now defining the discipline as totalising and immutable and investigates the unique subjectivities positions and responsibilities that might be imagined as the architect to come This book will be of interest to researchers and students of architectural theory science fiction studies design futures and global futurisms
