For more than a decade, author Jeremy Goldman has helped companies inject social into their marketing processes. He explains the ins and outs of platforms such as Facebook, Twitter, LinkedIn, Google+, Foursquare, Instagram and Pinterest and teaches readers how to formulate a social strategy, pinpoint and cater to the right audience, give their brand a unique online voice, create relevant and engaging content, identify and reward influencers, build strong bonds with bloggers, become truly customer-centric, respond to negative feedback, use targeting to engage more effectively, turn employees into social marketers and engage with ROI in mind.
