Rubel, 2006 Examples ideas and discussion for those who follow or would like to follow the calling to live in a modern day Master Slave relationship More than a general book about rules rituals personal behaviour and etiquette Rubel offers a glimpse into the complex world of protocols set in the context of a Leather Master Slave relationship *Representations of Slave Women in Discourses on Slavery and Abolition, 1780-1838* Henrice Altink, 2005-06-22 This book analyzes textual representations of Jamaican slave women in three contexts motherhood intimate relationships and work in both pro and antislavery writings Altink examines how British abolitionists and pro slavery activists represented the slave women to their audiences and explains not only the purposes that these representations served but also their effects on slave women's lives

Anti Slavery manual, containing a collection of facts and arguments on American slavery. Second edition-improved La Roy SUNDERLAND, 1837 **Unfree Lives** Magdalena Moorthy Kloss, 2024-08-15 *Unfree Lives* illuminates Yemen's forgotten history of slavery as well as the transregional dimensions of slave trading in the Red Sea and wider Indian Ocean world By analyzing Arabic narrative and administrative sources Magdalena Moorthy Kloss reconstructs the lives of women and men who were trafficked to Yemen as children and then placed in various subaltern positions from domestic servant to royal concubine from quarryman to army commander In this first in depth study of unfree lives in Yemen Moorthy Kloss argues that slaves and former slaves made significant contributions to social economic and political processes in the medieval period She highlights the gendered nature of slavery through a nuanced examination of the social identities of eunuchs and concubines *Unfree Lives* also includes detailed information on slave trading between the Horn of Africa and Yemen in the 13th century as well as an account of the little known Najahid dynasty that was founded by Ethiopian slaves

The Material Life of Roman Slaves Sandra R. Joshel, Lauren Hackworth Petersen, 2014-09-30 *The Material Life of Roman Slaves* retrieves and represents the physical environment and lives of Roman slaves *Domestic Slavery in Syria and Egypt, 1200-1500* Jan Hinrich Hagedorn, 2019-12-09 *Slavery* touched many aspects of Mamluk society This volume focuses on the role of slaves within the family from birth to purchase liberation and death It investigates domestic slavery in Syrian and Egyptian society from the thirteenth to the fifteenth century Jan Hagedorn focuses on the agency of slaves in the context of master slave relationships within households and in wider society He argues that the ability of slaves to shape the world around them was underpinned by a constant process of negotiation within the master slave relationship and that intermediaries such as the court system channelled the agency of slaves The principal sources for this study are purchase

contracts listening certificates marriage contracts and estate inventories in combination with scribal market inspection and slave purchase manuals as well as chronicles Questioning Slavery James Walvin, 2002-11 Surveying the key questions of slavery this book traces the arguments which have surrounded its history in recent years A wide ranging thematic organisation covers racial economic political social cultural gender and colonial dimensions That Most Precious Merchandise Hannah Barker, 2019-09-27 The history of the Black Sea as a source of Mediterranean slaves stretches from ancient Greek colonies to human trafficking networks in the present day At its height during the fourteenth and early fifteenth centuries the Black Sea slave trade was not the sole source of Mediterranean slaves Genoese Venetian and Egyptian merchants bought captives taken in conflicts throughout the region from North Africa sub Saharan Africa the Balkans and the Aegean Sea Yet the trade in Black Sea slaves provided merchants with profit and prestige states with military recruits tax revenue and diplomatic influence and households with the service of women men and children Even though Genoa Venice and the Mamluk sultanate of Egypt and Greater Syria were the three most important strands in the web of the Black Sea slave trade they have rarely been studied together Examining Latin and Arabic sources in tandem Hannah Barker shows that Christian and Muslim inhabitants of the Mediterranean shared a set of assumptions and practices that amounted to a common culture of slavery Indeed the Genoese Venetian and Mamluk slave trades were thoroughly entangled with wide ranging effects Genoese and Venetian disruption of the Mamluk trade led to reprisals against Italian merchants living in Mamluk cities while their participation in the trade led to scathing criticism by supporters of the crusade movement who demanded commercial powers use their leverage to weaken the force of Islam Reading notarial registers tax records law merchants accounts travelers tales and letters sermons slave buying manuals and literary works as well as treaties governing the slave trade and crusade propaganda Barker gives a rich picture of the context in which merchants traded and enslaved people met their fate
