Glamour and Style Stephen Michael Shearer, 2022-03-01 She was called the most beautiful girl in the world and during Hollywood's Golden Age of the 1930s and 1940s she set standards of beauty and sophistication copied throughout the world during the three decades of her film career. When she made her American cinema debut opposite Charles Boyer in Walter Wanger's moody 1938 romance drama *Algiers*, her character's first appearance in that film literally took audiences' breaths away. Her exotic beauty was heralded in picture after picture. *Glamour and Style* is a photographic tribute to this extraordinary woman. Focusing on her spectacular beauty, it contains hundreds of photographs many never before published and gowns by designers from Adrian and Robert Kalloch to Elio Jenson and Edith Head. It features running commentary by biographer Stephen Michael Shearer, author of the definitive book on the star *Beautiful: The Life of Heddy Lamarr*. This book gives film fans and avid readers an ample opportunity to view and understand this most remarkable beautiful woman and introduces her work and glamour to a new generation of filmgoers.

The New York Times Book Review, 1990-10 Presents extended reviews of noteworthy books, short reviews, essays, and articles on topics and trends in publishing, literature, culture, and the arts. Includes lists of best sellers, hardcover, and paperback.

Hollywood Movie Stills Joel Waldo Finler, 2008 Marlene Dietrich, Greta Garbo, Clark Gable, Marilyn Monroe. It is through the eye of the stills camera that we experience and recall some of the cinema's most memorable events and faces. Still images are so powerful that they can easily pass for actual scenes from the movies they represent rather than separately posed, lighted, and photographed shots that may not even find their way into the finished film. This classic study traces the origin of stills photography during the silent era and the early development of the star system to the rise of the giant studios in the 1930s and their eventual decline. Finler focuses on the photographers, the stars they photographed, and on many key films and filmmakers. *Hollywood Movie Stills* is illustrated by hundreds of rare and unusual stills from the author's own collection, including not only portraits and scene stills but production shots, behind-the-scenes photos, poster art, calendar art, leg shots, photo collages, and trick shots. There are also photos showing the stars' private lives and special events in Hollywood, all produced in vast numbers by the great studios in their heyday.

The Savvy Sphinx Robert Dance, 2021-11-30 Named a 2022 Richard Wall Award Finalist by the Theatre Library Association. From the late 1920s through the thirties, Greta Garbo (1905-1990) was the biggest star in Hollywood. She stopped making films in 1941, at only thirty-six, and thereafter sought a discreet private life. Still, her fame only increased as the public and press clamored for news of the former actress. At the time of her death, forty-nine years later, photographers continued to stalk her, and her death was reported on the front pages of newspapers worldwide. In *The Savvy Sphinx: How Garbo Conquered Hollywood*, Robert Dance traces the strategy a working-class Swedish teenager employed to enter motion pictures, find her way to America, and ultimately become Hollywood's most glorious product. Brilliant tactics allowed her to reach Hollywood's uppermost echelon and made her one of the last century's most

famous people Garbo was discovered by director Mauritz Stiller who saw promise in her nascent talent and insisted that she accompany him when he was lured to America by an MGM contract By twenty she was a movie star and the epitome of glamour Soon Garbo was among the highest paid performers and in many years she occupied the number one position Unique among studio players she quickly insisted on and was granted final authority over her scripts costars and directors But Garbo never played the Hollywood game and by the late twenties her unwillingness to grant interviews attend premieres or meet visiting dignitaries won her the sobriquet the Swedish Sphinx The Savvy Sphinx which includes over a hundred beautiful images charts her rise and her long self imposed exile as the queen who abdicated her Hollywood throne Garbo was the paramount star produced by the Hollywood studio system and by the time of her death her legendary status was assured

Hollywood Glamour, 1924-1956 Elvehjem Museum of Art, 1987-06-01 *Artbibliographies Modern*, 1990 Abstracts of journal articles books essays exhibition catalogs dissertations and exhibition reviews The scope of ARTbibliographies Modern extends from artists and movements beginning with Impressionism in the late 19th century up to the most recent works and trends in the late 20th century Photography is covered from its invention in 1839 to the present A particular emphasis is placed upon adding new and lesser known artists and on the coverage of foreign language literature Approximately 13 000 new entries are added each year Published with title LOMA from 1969 1971 Bibliographic Guide to Theatre Arts New York Public Library. Research Libraries, 1990 *Heritage Vintage Movie Photography & Stills Auction #7003*, Film und Fernsehen, 1992 *The Psychologist*, 1994 Losing the Plot Pardis Dabashi, 2023-11-06 An examination of the relationship between literature and classical Hollywood cinema reveals a profound longing for plot in modernist fiction The modernist novel sought to escape what Virginia Woolf called the tyranny of plot Yet even as twentieth century writers pushed against the constraints of plot driven Victorian novels plot kept its hold on them through the influence of another medium the cinema Focusing on the novels of Nella Larsen Djuna Barnes and William Faulkner writers known for their affinities and connections to classical Hollywood Pardis Dabashi links the moviegoing practices of these writers to the tensions between the formal properties of their novels and the characters in them Even when they did not feature outright happy endings classical Hollywood films often provided satisfying formal resolutions and promoted normative social and political values Watching these films modernist authors were reminded of what they were leaving behind both formally and in the name of aesthetic experimentalism by losing the plot The Book Buyer's Advisor Bill Ott, 1990
