Sight Word Workbook is the only workbook that uses this multi dimensional model for each and every one of its 200 words. This ensures that the child really grasps the sight word along with its spelling meaning and usage. In teaching terms giving your child the opportunity to learn words in proper context is known as meaningful reading. This is an extremely effective tool that has been shown to be far superior for retention than plain memorization or rote learning. Includes Dolch Word List. Educator Dr Edward William Dolch developed the Dolch Sight Words List by studying the most frequently occurring words in children's books. These words comprise a staggering 80% of the words you would find in a standard children's book. Once a child knows this list of words it makes reading much easier. You'll be pleased to know that this workbook incorporates the key Dolch words. Book Details 8.5 x 11 Large size provides plenty of room for writing inside 200 sight words TWICE as many as other workbooks. More than 100 pages of writing exercises.
