Words Worth Using Dianna Townsend, 2022 Help adolescents learn and use the academic words that will assist them in school and beyond The author argues that words worth using must matter to adolescents authentic work in the disciplines and connect to their lived experiences Rather than using a model of vocabulary instruction that positions students as passive recipients who must simply memorize definitions Townsend outlines a metalinguistic approach that shows students how to learn words by using them in ways that are meaningful to their identity language background and individual interests The book provides research based instructional routines to support adolescents as they learn and use new words in their disciplinary learning It explores how academic vocabulary can position students as insiders or outsiders and how culturally sustaining instruction can welcome all students into discovering and using language Words Worth Using will be a popular resource for teachers who feel stymied by the sheer volume of words they are expected to teach Book Features An engaging exploration of adolescents and the kinds of powerful word learning that endure Metalinguistic awareness as an underleveraged approach to helping adolescents develop word knowledge in

engaging ways A culturally sustaining pedagogy framework with specific attention to emergent bilinguals Words Worth Using boxes that share the etymology and morphology of many important words throughout the text A careful review and explanation of research accompanied by classroom anecdotes real world examples and templates for teachers and instructional leaders to use in their own contexts The Role of the Speech-Language Pathologist in RtI Wayne A. Foster,2018-01-08 The Role of the Speech Language Pathologist in RtI Implementing Multiple Tiers of Student Support is an innovative resource for school based speech language pathologists SLPs The author examines the current interaction among special and general educators and identifies how SLPs best fit into a multitiered response to instruction process This collaboration requires school staff share the same vision on the operation of the system understand their respective roles and merge the curricular with the developmental perspective to build basic skills in support of student performance growth General educators have traditionally utilized the language of curriculum e g standards pacing guides formative and summative assessments to talk about student goals and achievement Special educators including SLPs most often utilize the language of development e g norms percentile ranks development milestones to measure student growth The Role of the Speech Language Pathologist in RtI assesses this apparent clash in nomenclature and identifies new ways for collaboration and cooperation among faculty and administration In order for the SLP to be an effective partner in the development and implementation of RtI the author proposes that SLPs should understand the language of general education be able to translate the curricular needs of students into skill based units that can be measured and progress monitored have full understanding of the developmental progression of skills and how that progression links to curriculum standards and be knowledgeable on evidence based practices that can have a meaningful impact on closing developmental gaps and result in higher achievement outcomes This text provides the blueprint for the implementation of a system of student support that was envisioned in the 2004 reauthorization of the Individuals with Disabilities Education Improvement Act IDEIA Unlike other books on RtI this essential resource addresses the very specific roles that different school level professionals must play to make the system effective No other text provides SLPs with such a comprehensive schoolwide perspective on the different roles in the process the different languages used by the professionals in those roles and how to navigate those different perspectives **Reading Assessment to Promote Equitable Learning** Laurie Elish-Piper,Mona W. Matthews,Victoria J.
