Single Syllable Steve:

The After Journey Laurie-Ann Weis, 2005 How many hours of the day do millions of people grieve silently for a partner they've lost in life Death comes easy to no one especially to those who are left behind In 1999 I lost my husband to cancer I was 47 at the time and it took awhile to sort through my emotions and gather the strength to face daily living again A year and a half into widowhood I realized how alone I felt going through all those first experiences taking off my wedding rings figuring out which side of the bed to sleep on and getting through our anniversary I then launched a Web site that generated feedback from other widows and widowers so they could share their stories and experiences with grief and loss The response was overwhelming From Singapore to England to South Australia I gathered and organized my Web site's library of material into a book that pays tribute to the millions of people who lose a partner and have to reinvent their lives and try to move forward The After Journey is a collection of people's thoughts and words of wisdom based on their experiences after suffering a great loss in their lives Each section begins with my own story and leads into the reflections of others on the same topic some of those voices drawing tears from readers while others conjuring sheer laughter and a sense of relief The book is simply a friend that can hold our hand when getting through the first year alone It proves that you're not alone in this very personal journey and that you have every right to do it your own way embracing every step as one movement closer to finding joy again in life You can visit Laurie Ann Weis on her Website at <http://www.laurieannweis.com>

The Last Casualty of the Great War Gregory M. Galvin, 2014-10-02 John Alston quietly wonders what it is about his face that makes other people think he is someone else Even though he looks nothing like his three siblings or anyone else in his family in his eyes he is just a normal middle aged man trying to make his way in the world But one day during a chance encounter with a German visitor at the World War I museum everything changes John is taken aback as he is introduced to a German man who shares the same features as him It is as if he is peering into a mirror Even more odd is that he shares the same first name with the man After he eventually parts ways with the stranger and his family John cannot shake his feelings of uneasiness especially when he learns that his father has just received a letter in the mail all penned in German Inspired by the strange chain of events John embarks on a quest to find answers that lead him to research his own family history question everything he has ever known and uncover a shocking truth The Last Casualty of the Great War is the poignant tale of one man's journey through history as he attempts to discover his identity and the reality of his roots *B.F. Steven's Facsimiles of Manuscripts in European Archives Relating to America, 1773-1783*, 1894

Green Wave Dan Kuester, 2016-06-02 Green Wave by Dan Kuester **Sleep Deprived** J. A. Yonkers, 2004 Twins Gabe and Steve had nearly the perfect childhood never lacking for a thing Kyle had nothing but Jenna She wanted nothing more than to make Kyle happy but was torn away from him far too soon Growing up in a small Montana town the four children discovered the realities of life The love of parents the loss of friends the betrayal of a brother the sordid secret life of a mother Searching for a dream but finding that even if it

does exist it seems unattainable Yet they continued on searching Gabe longed to be a musician up on stage before thousands of adoring fans loving to be loved by them Steve hoped to make his living as a cowboy traveling with the rodeo and earning enough to survive Kyle only wished to survive from one day to the next his guitar and letters from Jenna forcing him to cling to one more day of life Jenna fought her own battles learning to walk again after her dream of becoming a dancer was shattered in a fall Overcoming all odds the foursome made their way into adulthood finding a little fame and a little fortune and each other

Once a Bitcoin Miner Ethan Lou,2021-10-19 A true story Fast paced Immersive The definitive parable of everything Bitcoin cryptocurrency and blockchain There is the Bitcoin story of the headlines but there is a more important one behind them tangled plots sprawling like roots deep underground entire worlds in which we are just passersby In Once a Bitcoin Miner journalist and author Ethan Lou takes readers on a richly told first person narrative through the proverbial cryptocurrency Wild West From investing in Bitcoin in university to his time writing for Reuters and then mining the digital asset Lou meets the likes of the late Gerald Cotten of QuadrigaCX and a co founder of Ethereum and hangs out in North Korea with Virgil Griffith the man later arrested for allegedly teaching blockchain to the totalitarian state Coming of age in the 2008 financial crisis Lou s generation has a natural affinity with this rebel internet money this so called millennial gold created in the wake of that economic storm At once a personal story of adventure and fortune this book is also a work of journalistic rigor a deep dive into this domain that everyone hears about yet which nobody truly knows into the lives of the fast talkers the exiles the ambitious and the daring forging their paths in a new world harsh and unpredictable **Rishi's**

Wish Complete Omnibus C.M. Martens,2024-02-20 The complete five book Rishi s Wish series plus the suspense thriller sequel TEN ZERO NINE all in one collection If you love a clueless protagonist similar to Kim Harrison s Rachel Morgan in a world rich with underground beings similar to Neil Gaiman s American Gods this is an adventure you want to begin Buy now and start this adventure today About Killing Game Nightmares of fire and blood are all Desiree has to explain waking up changed Supernaturally fast and strong she has no memory of what happened or who s responsible Thinking herself safe she focuses on making a simple life for herself but the thing that did this isn t willing to let her go An attack on her life by a creature of fiction is only the first Confused and angry Dee knows this forgotten past has caught up to her Questions she s avoided rule her thoughts With no way to find answers can she survive The arrival of a mysterious stranger brings the answers she craves but is he too good to be true Is it safer to get rid of him If he can show her how to stay alive it s worth the risk Hamal breaks his own rules by coming to Dee s aid His mission was to watch not interfere But there s something about her worth putting his reputation on the line He knows she ll need all the help he can give Thrown into a world of immortals some friends some enemies Dee must decide what price she ll pay for answers or if it s better to just run Little does she know one holds the answers to her past a Rishi whose wish started it all What readers are saying I love this new world and the characters and story within There is so much happening that I could barely put it down This was a great read for me and I

want more Amazon review What a fantastic debut release from this author I loved the dialogue between characters and how real they felt Nicola Rose author of Breaking the Gladiator and The Elwood Legacy Series With all the super hero and magic world stories and movies around today this story was truly so different and interesting Amazon Review What a wonderful gem among new authors Goodreads Review I have enjoyed this series and Dee is a good MC with a difficult path to forge I do not know where this is leading to but I will be reading to find out how everything plays out Booksprout Reviewer The author introduces a new world with a plethora of action secrets and mystery and made it all work to form a great story Kudos to the author on a job well done Amazon Review

Mets Fan Dana Brand,2015-03-12 This collection of well crafted essays spans more than 40 years of franchise history but hews to a single theme the experience sometimes humorous sometimes painful of being a fan of the New York Mets From the sound of jets overhead to Keith Hernandez and the Seinfeld connection Hofstra professor Dana Brand writes about the experiences and lore that make baseball in Queens unique Mets fans will recognize themselves in this book and everyone who enjoys great baseball writing will delight in the reading
